Coming Of Age Crown In Conflict Volume 2:

Franco-Prussian War 1870-1871, Volume 2 Quintin Barry, 2007-03-19 The second volume of this comprehensive military history examines the fall of the Second French Empire and the founding of a unified Germany. Helmut von Moltke's victory over France in the Battle of Sedan resulted in the capture of Napoleon III. But the war against the Government of National Defense presented quite different problems to von Moltke and his staff. Although the Siege of Paris loomed large during the second phase of the war, historian Quintin Barry fully explores events in other parts of France including the siege of Strasbourg, the activities of the *Francs Tireurs*, the investment of Metz, and the battle against the French armies of the Loire, the North, and the East. As with the first volume of this study, Barry has made full use of an extensive number of German and French language sources. His detailed text is accompanied by a number of black and white illustrations and newly drawn battle maps. Orders of battle are also provided.

A Testimony of Jesus Christ - Volume 2 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides.
