Coming To Terms A Literary Response To Abortion:

Coming to Terms Lucinda Ebersole, Richard Peabody, 1994 The first literary anthology on America's most debated issue
Copyright Libri GmbH All rights reserved The Richard Peabody Reader Richard Peabody, Michael Dirda, 2015-04-01
Filling an important gap in the literary world The Richard Peabody Reader is a wide ranging selection of this great writer's poetry and prose As a publisher Peabody's steadfast dedication to that which is new challenging innovative and dynamic has won him a wide reputation among writers whose work he has championed This volume demonstrates those same values embodied in nearly four decades of fiercely smart sophisticated and often very funny writing From his first collection of poems *I'm in Love with the Morton Salt Girl* to his most recent collection of short stories *Blue Suburban Skies* Peabody has established and developed a thoroughly unique voice both warm and piercing to deliver content that ranges from the hilarious as in the short story *Flea Wars* to the bittersweet as in the poem *The Other Man is Always French* to the elegiac as in the poem in *Civil War Pieta* to the absurd as in the rollicking farce of the short story *Bad Day at Ikea* Peabody's aesthetic is all embracing strands of punk beat experimental feminist and political protest literary influences blend with the purely romantic to create a body of work that is both profound and pleasing **Feminist Bookstore News**, 1995 The Cumulative Book Index, 1996 A world list of books in the English language **Critical Responses to Canadian Literature** K. Balachandran, 2004 *The Bloomsbury Companion to Analytic Feminism* Pieranna Garavaso, 2018-06-14 Applying the tools and methods of analytic philosophy analytic feminism is an approach adopted in discussions of sexism classism and racism The Bloomsbury Companion to Analytic Feminism presents the first comprehensive reference resource to the nature history and significance of this growing tradition and the forms of social discrimination widely covered in feminist writings Through individual sections on metaphysics epistemology and value theory a team of esteemed philosophers examine the relationship between analytic feminism and the main areas of philosophical reflection Their engaging and original contributions explore how analytic feminists define their concepts and use logic to support their claims Each section provides concise overviews of the main debates in feminist literature within that particular area of research as well as introductions to each of the chapters Together with a glossary and an annotated bibliography this companion features an overview of the basic tools used in reading analytic philosophy The result is an in depth and authoritative guide to understanding analytic feminism's characteristic methods Coming to Terms Lucinda Ebersole, Richard Peabody, 199? A Defense of Abortion David Boonin, 2003 David Boonin has written the most thorough and detailed case for the moral permissibility of abortion yet published Critically examining a wide range of arguments that attempt to prove that every human fetus has a right to life he shows that each of these arguments fails on its own terms He then explains how even if the fetus does have a right to life abortion can still be shown to be morally permissible on the critic of abortion's own terms **Library Media Connection**, 1995 **American Book Publishing Record**, 1996-05
