**Psychiatry Disrupted** Bonnie Burstow, Brenda A. LeFrançois, Shaindl Diamond, 2014-05-01 There is growing international resistance to the oppressiveness of psychiatry While previous studies have critiqued psychiatry *Psychiatry Disrupted* goes beyond theorizing what is wrong with it to theorizing how we might stop it Introducing readers to the arguments and rationale for opposing psychiatry the book combines perspectives from anti psychiatry and critical psychiatry activism mad activism antiracist critical and radical disability studies as well as feminist Marxist and anarchist thought The editors and contributors are activists and academics adult education and social work professors psychologists prominent leaders in the psychiatric survivor movement and artists from across Canada England and the United States From chapters discussing feminist opposition to the medicalization of human experience to the links between psychiatry and neo liberalism to internal tensions within the various movements and different identities from which people organize the collection theorizes psychiatry while contributing to a range of scholarship and presenting a comprehensive overview of resistance to psychiatry in the academy and in the community Contributors include Simon Adam University of Toronto Rosemary Barnes University of Toronto Peter Beresford Brunel University Bonnie Burstow University of Toronto Chris Chapman York University Mark Cresswell Durham University Shaindl Diamond York University Chava Finkler Memorial University Ambrose Kirby therapist in private practice Brenda A LeFrançois Memorial University of Newfoundland Mick McKeown University of Central Lancashire Robert Menzies Simon Fraser University China Mills Oxford University Tina Minkowitz World Network of Users and Survivors of Psychiatry Ian Parker University of Leicester Susan Schellenberg Helen Spandler University of Central Lancashire and AJ Withers York University A courageous anthology *Psychiatry Disrupted* is a timely work that asks compelling activist questions that no other book in the field touches **Quill & Quire**, 2008 Choice, 2009 **My**

**Experiences in a Lunatic Asylum** Herman Charles Merivale, 2021-04-26 In *My Experiences in a Lunatic Asylum* Herman Charles Merivale provides a profound and unsettling exploration of mental illness during the 19th century Through a blend of personal narrative and social commentary Merivale captures the stark realities of life in a lunatic asylum revealing the complexities of human psychology and the ethical dilemmas inherent in psychiatric care Employing an evocative literary style he weaves detailed descriptions of the institution's atmosphere with poignant reflections on the individuals housed within challenging the reader to empathize deeply with those often marginalized by society The book situates itself within a growing body of literature concerned with mental health adding a powerful voice to the discourse of compassion versus confinement in the treatment of mental illness Herman Charles Merivale previously an established historian and academic drew upon his

keen insights into human nature and empathy when writing this deeply affecting narrative His background grounded in the study of both history and society informed his perspective on the stigmas surrounding mental health navigating a complex emotional landscape that affected both the caretakers and patients of his time Merivale s experiences marked by an acute awareness of social justice compel him to question the societal norms related to madness This book is a vital read for those interested in the intersections of history psychology and ethics Merivale s candid reflections not only illuminate the challenges of mental health care but also invite readers to confront the ongoing societal issues surrounding mental illness For scholars students and general readers alike My Experiences in a Lunatic Asylum serves as a profound reminder of the importance of compassion and humanity in the face of suffering In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

*Healing the Mind through the Power of Story* Lewis Mehl-Madrona, M.D., Ph.D., 2010-06-18 Psychiatry that recognizes the essential role of community in creating a new story of mental health Provides a critique of conventional psychiatry and a look at what mental health care could be Includes stories used in the author s healing practice that draw from traditional cultures around the world Conventional psychiatry is not working The pharmaceutical industry promises it has cures for everything that ails us yet a recent study on antidepressants showed there is no difference of success in prescribed pharmaceuticals from placebos when all FDA reported trials are considered instead of just the trials published in journals Up to 80 percent of patients with bipolar depression remain symptomatic despite conventional treatment and 10 to 20 percent of these patients commit suicide In *Healing the Mind through the Power of Story* Dr Mehl Madrona shows what mental health care could be He explains that within a narrative psychiatry model of mental illness people are not defective requiring drugs to fix them What needs fixing is the ineffective stories they have internalized and succumbed to about how they should live in the world Drawing on traditional stories from cultures around the world Dr Mehl Madrona helps his patients re story their lives He shows how this innovative approach is actually more compatible with what we are learning about the biology of the brain and genetics than the conventional model of psychiatry Drawing on wisdom both ancient and new he demonstrates the power and success of narrative psychiatry to bring forth change and lasting transformation Asylum Light James Sheridan Ward, 2004-01-01 About the fascinating history memories and pictures of three state hospitals in the 1900s starting with the Illinois Asylum for the Incurable Insane opened in 1902 and the impact its first superintendent and his reforms had on mental health treatment Dr George A Zeller and his humane treatment was a model copied by many other hospitals in Illinois and nationwide Includes Peoria State Hospital Galesburg Research Hospital and Zeller Mental Health Center Sane in Asylum Walls. A true narrative. [With plates.] James Scott (Author of "Sane in Asylum Walls." ), 1931
