Elias, Joseph J. Ferrito, Dominic C. Moceris, 2015-12-14 To better serve the whole child look at the whole report card Although parents and teachers spend more time in conferences talking about behavior than they do about rubrics and test scores too many teachers are still guessing when it comes to using outdated behavior ratings and comments to describe the whole child With this book you ll take report cards to the next level integrating social emotional learning and character development into any grading system Resources include Guided exercises for analyzing existing report cards Suggested report card designs Tips on improving teacher parent communication Case studies Testimonials from teachers and students Common Core Dilemma—Who Owns Our Schools? Mercedes K. Schneider, 2015 In her new book bestselling author Mercedes Schneider provides little known details about the history of the Common Core State Standards She lifts the veil on how the Common Core was developed who was present in the back room the push to copyright it so that test makers could profit and the urgency for governors to sign commitments before the standards were even completed CCSS is publicized as being a state led teacher developed approach guaranteed to ensure that all students are college and career ready By the end of this eye opening book readers will come to understand the CCSS and its attendant assessments as something very different an education restricting profit garnering opportunity packaged as an education sounding sales pitch Common Core Dilemma will appeal to readers across the political spectrum who want to better understand the role of corporations nonprofits big donors with strings attached and the federal government in exercising control in our schools Mercedes Schneider is the right person to take a close look at the controversies around the Common Core She is not only a high school teacher but also holds a Ph D in research methods and statistics No one digs deeper than she to understand the politics money and personalities behind big issues Diane Ravitch professor of education at New York University historian of education and bestselling author author of *Reign of Error* The Common Core state standards swept the nation in an educational coup d etat six years ago The campaign was so swift that most Americans indeed most educators had never even heard of the standards when they were adopted Mercedes Schneider has become the nation s leading detective investigating this whodunnit mystery and here she tells the tale from the beginning Anthony Cody educator writer and public speaker *Assessment Tools and Systems* Barbara J. Smith, 2022-12-27 Feedback matters for everyone committed to school improvement Rather than tweaking flawed assessment tools it is time to consider developing more meaningful feedback
