The Ants and the Cookie

One day, two ants went exploring. They came across two big cookies. "These cookies are huge!" said the first ant. "One of these cookies would feed my whole family for a month!" said the second ant. "But, how can little ants like us carry such big cookies?" "It seems impossible!" said the first ant. "But, I must try." So, the first ant started to tug and pull at one corner. But it broke off. "I am going to take this piece back to my family," said the first ant. "You go ahead," said the second ant. "I'm not going to let a small piece of cookie go. I will find a way to take the whole cookie home." So, the first ant went home with her small piece of cookie. She returned. She found the second ant still pushing and shoving. "It's impossible!" she said. "But, I must try." So, the first ant went back to the cookie and took it back home. This went on for most of the day. The first ant was really tired of trying to complete her task. She finally gave up and went home with nothing.
