Communicating For Life Christian Stewardship In Community And Media Renewed minds:

Communicating for Life Quentin J. Schultze, 2000-09 Offers a holistic Christian view of communication showing the vast array of implications for using this gift to responsibly work toward peace and justice **Faith and Learning** David S. Dockery, 2012 Two dozen Christian higher education professionals thoroughly explore the question of the faith's place on the university campus whether in administrative matters the broader academic world or in student life Christian Scholar's Review, 2000 Forthcoming Books Rose Arny, 2004 Communicating for Life Quentin J. Schultze, 2024-02 In this updated and expanded edition the author invites professors of communication and media to reflect on each chapter in light of our current cultural challenges and technological advancements over the past two decades The collection of voices and conversations offer a discerning introduction to communication theory that guides readers through an interesting creative and biblical study of communication Thoroughly grounded in a Christian worldview *Communicating for Life* explores the implications of individual human communication and the influence of communication on community *Stewardship* Bob Sitze, 2016-01-01 The collective groan that greets stewardship campaigns in most churches can be quelled This book offers theoretical and practical propositions by which lay and clergy leaders can ensure the sustainability of stewardship ministries to help their congregations flourish Bob Sitze invites stewardship leaders into a broader conversation of how shifted biblical and secular stewardship concepts practice and identity can be incorporated into a congregation's life and help bring about lasting change The book has two sections Part 1 Scriptural Stewardships reinterprets familiar biblical passages on stewardship introduces new ones and helps congregations expand their use of the Bible in their life and stewardship work Part 2 Secular Stewardships examines the resources that are available to congregations from the continuing revelation that is occurring in the secular world including brain science financial planning philanthropy community organizing and other areas The book is written in a friendly style with reflection questions so what moments and engaging sidebars

Stewardship Bernard F. Evans, 2014-05-30 In *Stewardship Living a Biblical Call* Bernard Evans presents an accessible and easily understood biblical and theological foundation for giving that both parishioners and stewardship leaders will find practical and valuable In focused chapters the many aspects of stewardship are named and described assisting readers in recognizing gifts and actions that make practicing stewardship far more than a financial proposition Grounded in years of practical work in this area with parish leaders Evans adeptly ties the Catholic invitation to stewardship to biblical foundations as well as the social teaching of the church A clear concise readable work *Stewardship Living a Biblical Call* also engages key questions of the age such as ecological stewardship and care for body mind and spirit Evans explores the communal and personal actions that help every believer proclaim the reign of God **Kingdom Stewardship Group Video Experience Participant's Guide** Tony Evans, 2020-01-21 In *Kingdom Stewardship* Dr Tony Evans inspires you to broaden your perspective of Christian stewardship This encouraging and challenging participant's guide is designed to be used in a

group together with the DVD Group Video Experience and the book You will learn that stewardship includes how you manage all that God has given you your time your talents and your treasures to advance God s kingdom and bring Him glory While many stewardship books focus on managing financial resources Tony Evans says that your finances are one small part of a much bigger calling He teaches that God owns all things and you are the manager of His assets When you bring your entire life into alignment under God you will be blessed with purpose and the abundant life that comes from living by God s eternal principles

Media in Church and Mission Viggo Sogaard,Viggo Søggaard,1993 Summarizing the Dimensions of Christian Communication Too many today are borrowing uncritically from the world of secular marketing and seem to be blithely unaware that the gospel is not a consumer product to be sold persuasively to a waiting world There is a great temptation to be so focused on felt needs that the gospel ceases being the narrow way and becomes instead a broad way to human fulfillment Unless real caution is exercised masses are attracted and churches become filled with those to whom Christianity is only a veneer over an otherwise secular life S gaard succeeds in driving home the sometimes forgotten point that strategies no matter how skillfully they are conceived are des tined to failure unless it is fully recognized that the Holy Spirit is the ultimate persuader There is in short a mysterious interworking between strategies and the ministry of the Holy Spirit An imbalance on either side of this equation is untenable The majority of the chapters offer practical insights into how such media as audio cassettes radio film and television can if properly used play an important role in conversion and spiritual growth But the author never loses sight of the fact that the single most important medium is face to face communication in the context of the local Christian fellowship
