

A woman with her hair in a bun, wearing a long, flowing purple Victorian-style dress with a gold sash, stands with her back to the camera. She is looking out over a lush green landscape featuring a calm lake, rolling hills, and a large, ornate stone building in the distance. The scene is bathed in soft, natural light.

De schaduw van gisteren Victoria Holt (pseud. van Eleanor A. Burford Hibbert.), P. A. Zandstra, 1972 **De schaduw van gisteren** Victoria Holt, 2023-11-13 Waarom wordt de man waar Nora Tamsin smoorverliefd op is ook wel De Lynx genoemd In plaats van waakzaam te zijn valt Nora als een blok voor de fascinerende Charles Herrick bij aankomst in Australië Op de achtergrond van de eeuwige zoektocht naar meer goud wordt Nora langzamerhand in de wrede wereld gesleurd van hebzucht gevaar en wraak Zal ze er ongeschonden uitkomen Victoria Holt was een van de pseudoniemen van de populaire Engelse auteur Eleanor Hibbert 1906-1993 Ze wist als geen ander de geschiedenis onder de aandacht te brengen in haar boeken door het te combineren met haar rijke fantasie en romantiek Hibbert beschikte over een breed talent en schreef boeken in verschillende genres onder diverse pseudoniemen variërend van oude fictieve familie verhalen tot thrillers Als Victoria Holt schreef Hibbert voornamelijk gotische romans die gaan over romantiek met een tintje mysterie Hibbert heeft in haar leven meer dan 200 boeken geschreven die in 20 talen zijn verschenen en wereldwijd meer dan 100 miljoen keer verkocht zijn **The Rescue Turn and the Politics of Holocaust Memory** Natalia Aleksun, Zofia Wóycicka, Raphael Utz, 2024-03-05 While many of the essays focus on recent developments they shed light on the evolution of this phenomenon since 1945 *Amsterdam* Geert Mak, 2010-09-30 A magnet for trade and travellers from all over the world stylish cosmopolitan Amsterdam is a city of dreams and nightmares of grand civic architecture and legendary beauty but also of civil wars bloody religious purges and the tragedy of Anne Frank In this fascinating examination of the city's soul part history part travel guide Geert Mak imaginatively recreates the lives of the early Amsterdammers and traces Amsterdam's progress from waterlogged settlement to a major financial centre and thriving modern metropolis **In de schaduw van gisteren**, 19??

Spirit of Resistance Jeroen Dewulf, 2010 The first book to offer a complete story of the extraordinary proliferation of Dutch clandestine literature under the Nazi occupation Clandestine literature was published in all countries under Nazi occupation but nowhere else did it flourish as it did in the Netherlands This raises important questions What was the content of this literature What were the risks of writing printing selling and buying it And why the Netherlands Traditionally the combative Dutch spirit of resistance has been cited a reaction not only to German oppression but to German propaganda while the Germans hoped to build bonds with their Germanic Dutch brothers clandestine literature insisted on their incompatibility However when reading clandestine literature one should not forget that this spirit of resistance came rather late and did not prevent the transportation of seventy three percent of the Netherlands Jewish population to Nazi death camps the largest percentage in Western Europe The Dutch case is complex while the country proved to be remarkably resistant to Nazi propaganda little was done to prevent the actual execution of Nazi policies The complete story of Dutch clandestine literature therefore combines resistance and complicity victory and defeat pride and shame Jeroen Dewulf is Queen Beatrix Professor of Dutch Studies in the Department of German at the University of California Berkeley

Collaboration with the Nazis Roni Stauber, 2010-09-13 This book examines the changes in representing collaboration during the Holocaust especially in the destruction of European Jewry in the public discourse and the historiography of various countries in Europe that were occupied by the Germans or were considered at least during part of the war as Germany's allies or satellites. In particular it shows how representations and responses have been conditioned by national and political trends and constraints. As historical background to the issues of postwar collective memory and public discourse it includes references to and short descriptions of major manifestations of collaboration chiefly in regards to the Jews in each of these countries during the war. Whether they were Communist or democratic regimes the book shows how the sudden burden of the past was suppressed, denied or distorted in various periods. Covering a wide area of both Eastern and Western Europe from different specialist perspectives this comprehensive study of collaboration in the Holocaust and its aftermath will be a valuable tool for teachers and students in the field of modern European history and Holocaust studies. **Visser 't**

Hooft, 1900-1985 Jurjen Zeilstra, 2025-10-01 God's diplomat, the pope of the ecumenical movement but also an acerbic theologian and a difficult person: this is how journalists characterised Willem Adolf Visser 't Hooft (1900-1985). He was one of the best known Dutch theologians outside the Netherlands and he left his mark on the world church. Even at an early age he made profound efforts in support of international ecumenical youth and student organisations: Dutch Student Christian Movement, YMCA and World Student Christian Federation. He led the World Council of Churches during its formative stages from 1938 and after its formal establishment in 1948 became its first general secretary serving until 1966. To Visser 't Hooft the unity of the church was both an article of faith and a pragmatic organisation of church influence in a disunited world.

Een Liefde, The Hunger Winter Henri A. Van Der Zee, 1998-01-01 Germany invaded the Netherlands in the spring of 1940. Life in occupied Holland was hideous enough but for the Dutch the worst was yet to come. After the Western Allies lost the Battle of Arnhem in September 1944 the Dutch provinces north of the Rhine and Waal Rivers were in the hands of the Germans and to the south fighting raged for months. In the winter of 1944-45 just as other parts of Europe were being liberated the Dutch seemed forsaken by the Allies who bypassed Holland on their drive to Berlin. That last winter of the war with its severe food and fuel shortages was a terrible one for the Dutch people who also suffered from episodes of Nazi terrorism. In some provinces there was nothing to eat but tulip bulbs and sugar beets and eighteen thousand Dutch civilians actually starved to death. Henri van der Zee who was ten years old that winter remembers what happened to his people.
