Vollmer, 2007-10-15 Art takes many forms In this selection of Asian court attire dating from the Qing dynasty 1644 1911 the phrase you are what you wear resonates Vollmer journeys back to the thirteenth century Chinese Empire where ancestors of the ruling Manchu conquerors dressed fittingly These exquisite costumes remind us that royalty once set fashion standards the way that celebrities do today but that these garments also promoted distinct national and political messages that helped keep a ruling minority in power for nearly three centuries *Dressed to Rule* is a guide to the exhibit of the same name that appeared at the University of Alberta in 2007 Foreword by Janine Andrews **Henri Bertin and the Representation of China in Eighteenth-Century France** John Finlay, 2020-07-09 This is an in depth study of the intellectual technical and artistic encounters between Europe and China in the late eighteenth century focusing on the purposeful acquisition of information and images that characterized a direct engagement with the idea of China The central figure in this story is Henri L onard Bertin 1720 1792 who served as a minister of state under Louis XV and briefly Louis XVI Both his official position and personal passion for all things Chinese placed him at the center of intersecting networks of like minded individuals who shared his ideal vision of China as a nation from which France had much to learn John Finlay examines a fascinating episode in the rich history of cross cultural exchange between China and Europe in the early modern period and this book will be an important and timely contribution to a very current discussion about Sino French cultural relations This book will be of interest to scholars in art history visual culture European and Chinese history *An Introduction to Chinese Culture through the Family* Howard Giskin, Bettye S. Walsh, 2001-07-19 An Introduction to Chinese Culture through the Family covers a central element of Chinese culture the idea of family or jia Written for both beginners and specialists this book considers the role of family literally metaphorically and as an organizing principle in the creation of the Chinese worldview Individual chapters explore philosophy art language music folk literature fiction architecture film and women and gender *To My Dear Pieter nelletje* Bea Brommer, 2015-08-04 *To my dear Pieter nelletje* describes a ten year period in the lives of Pieter nella van Hoorn and her grandfather Willem van Outhoorn former governor general of the Dutch East Indies Eleven years old Pieter nella left for Amsterdam and the only contact possible was by mail Numerous letters have survived and combined with contemporaneous documents most of them never published before they offer a vivid and clear picture of their private life and feelings forming a most welcome addition to official VOC history Van Outhoorn not only acted as Pieter nella s mentor while she tried to adjust to her new but unknown fatherland but also sent her numerous exquisite presents the greater part of which has been traced and described in full thus offering new insight in the cultural history of
