Deacon Ministry Planning Guide:

Deacon Ministry Planning Guide Robert L. Sheffield, 1995 **Deacon Training** Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons **The Deacon Ministry Handbook** Alan Witham, 2023-01-31 If you ask any pastor what keeps their church moving forward they will likely point to the serving work of the deacon These special men are the foundation of healthy churches because of their unique servant leadership role no matter the church size Typically they visit the homebound and the sick as they care and pray for those in need Seeing the actions of these servants assists aspiring deacons in understanding what a deacon does but it does not equate to understanding what a deacon is Through this book Alan Witham Steve Rice and their teammates bring clarity to the role of deacon by providing a practical guide that serves as The Deacon Ministry Handbook The authors bring decades of local church experience having served as deacons pastors and consultants Handbook for Planning Deacon Ministry Robert Sheffield, 1999-01-01 **Women Deacons and Deaconesses** Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons The Emerging Role of Deacons Charles W. Deweese, 1979 A summary of the biblical historical and practical role of deacons in the church Now That You're a Deacon Howard B. Foshee, 1975-10-16 A combination of practical guidance and inspiration on character relationship to church and pastor stewardship missions and more Descriptive Duties of Deacons Russell R. Cook, 2017-09-25 Almost every church in America has selected and ordained Deacons for service to their congregations Most of these Deacons have learned their duties by on the job experiences However many Deacons even years after their ordination still ask the question What am I supposed to do This book Descriptive Duties of Deacons answers that question in clearly definitive ways You need not feel overwhelmed unsuited for certain areas of service or burdened by watching other Deacons in your church and thinking you

have to do everything they do This guidebook shows numerous options for ministry that can fit with your spiritual gifts talents training and personality These ministry options will help you find your niche in Gods work God does not intend for you to do everything nor to do your duties by yourself He has placed you in a local church where a Pastor ministry staff and numerous volunteers can serve with you The various duties described here will help you to better understand what both you and your fellow Deacons need to be doing individually and together Follow this guidebook and you may never again ask the question What am I supposed to do as a Deacon

The Deacon's Handbook Leonard Gillams,2023-08-21 The Deacon s Handbook is more than just a resource for those serving as deacons and those who aspire to be one The fact is that you don t have to be a deacon to apply principles that God would smile upon The wisdom in this handbook transcends sex age and educational background In other words it may be geared for deacons but it can benefit anyone Leonard Gillams a longtime ordained deacon observes that while no one is perfect how we behave informs ourselves others and God Himself on how we are measuring up to His Holy standards He considers questions such as How did the deacon s ministry develop How can a deacon effectively interact with a congregation How can a deacon build a strong spiritual foundation from which to serve the church The author emphasizes that just as God holds deacons responsible for the churches they serve He also expects them to take care of their families Get guidance to succeed at church and at home with wisdom steeped in Scripture and firsthand experience
