Cinematic Shakespeare Genre And Beyond A Film Studies Series:

Cinematic Shakespeare Michael A. Anderegg, 2004 Michael Anderegg investigates how Shakespeare films constitute an exciting ever changing film genre He looks closely at films by Olivier Welles Branagh as well as postmodern Shakespeares multiple adaptations over the years of Romeo and Juliet **Twelfth Night: A Critical Reader**, 2013-12-16 Twelfth Night is the most mature and fully developed of Shakespeare s comedies and as well as being one of his most popular plays represents a crucial moment in the development of his art Assembled by leading scholars this guide provides a comprehensive survey of major issues in the contemporary study of the play Throughout the book chapters explore such issues as the play s critical reception from John Manningham s account of one of its first performances to major current comentators like Stephen Greenblatt the performance history of the play from Shakespeare s day to the present and key themes in current scholarship from issues of gender and sexuality to the study of comedy and song Twelfth Night A Critical Guide also includes a complete guide to resources available on the play including critical editions online resources and an annotated bibliography and how they might be used to aid both the teaching and study of Shakespeare s enduring comedy

Now a Major Motion Picture Christine Geraghty, 2008 Going beyond the process of adaptation Geraghty is more interested in the films themselves and how they draw on our sense of recall While a film reflects its literary source it also invites comparisons to our memories and associations with other versions of the original For example a viewer may watch the 2005 big screen production of Pride and Prejudice and remember Austen s novel as well as the BBC s 1995 television movie Adaptations also rely on the conventions of genre editing acting and sound to engage our recall elements that many movie critics tend to forget when focusing solely on faithfulness to the written word **Black Lenses, Black Voices** Mark A. Reid, 2005-03-25 Black Lenses Black Voices is a provocative look at films directed and written and sometimes produced by African Americans as well as black oriented films whose directors or screenwriters are not black Mark Reid shows how certain films dramatize the contemporary African American community as a politically and economically diverse group vastly different from film representations of the 1960s Taking us through the development of African American independent filmmaking before and after World War II he then illustrates the unique nature of African American family action horror female centered and independent films such as Eve s Bayou Jungle Fever Shaft Souls of Sin Bones Waiting to Exhale Monster s Ball Sankofa and many more **High Comedy in American Movies** Steve Vineberg, 2005 High Comedy in American Movies explores the comedy of manners film throughout the twentieth century from the advent of movie sound to recent films and shows how class comedy s inside view of the aristocratic lifestyle has been influenced by the culture and times in which the movies are produced Easily accessible this book makes an engaging supplement to courses in American film film genre and film studies *Queer Images* Harry M. Benshoff, Sean Griffin, 2005-10-13 From Thomas Edison s first cinematic experiments to contemporary Hollywood blockbusters Queer Images chronicles the representation of lesbian gay bisexual

and queer sexualities over one hundred years of American film The most up to date and comprehensive book of its kind it explores not only the ever changing images of queer characters onscreen but also the work of queer filmmakers and the cultural histories of queer audiences Queer Images surveys a wide variety of films individuals and subcultures including the work of discreetly homosexual filmmakers during Hollywood's Golden Age classical Hollywood's failed attempt to purge sex perversion from films the development of gay male camp in Hollywood cinema queer exploitation films and gay physique films the queerness of 1960s Underground Film practice independent lesbian documentaries and experimental films cinematic responses to the AIDS crisis the rise and impact of New Queer Cinema the growth of LGBT film festivals and how contemporary Hollywood deals with queer issues This entertaining and insightful book reveals how the meaning of sexual identity as reflected on the silver screen has changed a great deal over the decades and it celebrates both the pioneers and contemporary practitioners of queer film in America Queer Images is an essential volume for film buffs and anyone interested in sexuality and culture

Hollywood Hybrids Ira Jaffe, 2008 He wanted to move in and out of the various signature styles of all these genres_Western melodrama thriller horror said cinematographer Robert Richardson of Quentin Tarantino's goals in making Kill Bill Vols 1 2 Through close readings of work by major U S filmmakers such as Tarantino David Lynch Errol Morris Todd Haynes and Joel and Ethan Coen Hollywood Hybrids studies provocative disorienting strategies of genre mixing in contemporary cinema The book also investigates foreign parallels to U S hybrid cinema in films by such directors as Pedro Almodóvar Spain and Stephen Chow Hong Kong Rather than explore genre primarily from the standpoint of movie critics producers marketers and spectators Hollywood Hybrids focuses on genre mixing as a key creative interest motivating celebrated filmmakers The book thus relates genre to auteur theory Hollywood Hybrids also links recent hybrid cinema to earlier instances of hybrid form in film and other arts including painting music literature and architecture The book concludes that hybrid films allude not only to multiple films and genres but also to hybrid features of consciousness and identity that increasingly heighten as well as complicate human experience
