Circle Time Activities For Reception:

Circle Time for the Very Young Margaret Collins, 2011-03-18 Circle Time for the Very Young has been used by teachers and practitioners alike for the last ten years. Now in its third edition, this book has been fully updated and includes a CD Rom to help you with Circle Time in your early years setting. Circle Time is used to help form positive relationships, increase confidence and self-esteem and provide a safe environment to explore feelings and opinions. Covering the 3 to 9 age range and focused on the core PSHE themes, this book contains the following to help you establish and maintain circle time in your setting: An explanation of Circle Time and how it works; Over 100 plans for different Circle Time sessions; Different plans for both young and older children; Activity sheets to use at the end of each session; Evaluation sheets to use at the end of each theme. All the activity and evaluation sheets can be printed from the new CD Rom, making it an ideal resource for those that want to use circle time but don't have time to plan the sessions. This book is easily used in any setting and is a must-have for busy practitioners.

Creative Circle Time Lessons for the Early Years Yvonne Weatherhead, 2008-11-19 Includes CD rom. This creative book uses music, song, poetry and a host of practical ideas to engage children in Circle Time Activities. The publication stems from Yvonne's own work in schools where 26 alphabetical themes have been centralised around a lovable bear character. There are four strands in the book which are linked to the Social Skills curriculum: Self-esteem, Relationships, Communications, Spiritual and Moral Development. These strands are developed through the 26 themes from Adorable bear to Zig Zag bear with a weekly introduction of a new rhythm to accompany the poem. For each theme, there are comprehensive notes for teachers with lots of ideas on the content of each theme. The DVD ROM contains all 26 poems and songs recited or sung by the children. The DVD Rom also includes printable posters and positive thought sheets. As an experienced teacher, Yvonne offers not only a comprehensive practical resource that all teachers will find useful and time-saving but she also provides links to Citizenship planning sheets for PSHE lesson objectives and full lesson notes providing all the support busy teachers need. A very exciting practical resource, easy to use and built on a very solid foundation of many years of expertise and practice.

Circle Time Teresa Bliss, Jo Tetley, 2006-05-15 Written for the busy classroom teacher, this book provides quick access to an abundance of Circle Time activities. Building on the success of the first edition, this new book retains the original edition's clarity and ease of access whilst providing more than twice as much material. It has also been updated to take account of new legislation including Every Child Matters and The National Standard for Healthy Schools. Clear headers guide the reader to core games and appropriate themes, each with helpful hints for planning and implementation and to assist the smooth running of the sessions. The theme section demonstrates ways of using core Circle Time activities such as Sentence Completion and Silent Statements to explore sensitive issues such as friendships and bullying. An important new feature is a structure to help readers understand what they should be expecting from pupils during Circle Time at each key stage. New and expanded sections on group work and the development of Circle Time are also included. This is a valuable

resource for teachers educational psychologists and youth workers whether they are experienced Circle Time practitioners or new to the technique **Planning and Using Time in the Foundation Stage** Jill Williams, Karen McInnes, 2014-04-04
