Citadel Of God A Novel About Saint Benedict

Victor M. Corman

Citadel Of God A Novel About Saint Benedict:

Citadel of God Louis De Wohl, 2010-12-03 Another of the popular historical novels by the distinguished de Wohl telling the dramatic story of St Benedict the father of Western monasticism who played such a major role in the Christianization and civilization of post Roman Europe in the sixth century De Wohl weaves an intricate tapestry of love violence and piety to recount with historical accuracy the story of St Benedict and the tempestuous era in which he lived Since there are no contemporary biographies of this major saint of history and the Church de Wohl s inspired account is of significant importance on the subject of saint s lives for today s spiritual seekers Having lived in an era of great immorality and vice not unlike our world today Benedict s story has a strong message for modern Christians who seek as he did to turn away from the wickedness of the world to find Christ in prayer study and solitude *Citadel of God* Louis De Wohl, 1960 [Citadel of God. A Novel of Saint Benedict](#) Ludwig von WOHL, 1960 **Reaching for God** Roberta Werner, 2013-05-20 Reaching for God is a compendium of Benedictine life and prayer for oblates It brings together in one volume the essence of Benedictine spirituality its history its relevance through the ages and in the present and a summary of the most fundamental gifts and values it offers for living a meaningful life Here the meaning and purpose of the oblate way of life is explained in a clear and encouraging way Werner offers guidance and examples of prayer to enrich any spiritual life Sister Roberta Werner OSB having worked as a teacher caregiver and educational administrator is now the assistant oblate director at St Benedict s Monastery in St Joseph Minnesota In this role she guides an oblate discussion group contributes to oblate newsletter publications has set up an oblate library and makes the spiritual journey with the many oblates who connect with her and with the monastery in their search for God *The Writer and the Cross* Darren J.N. Middleton, 2022-06-27 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life and Christians are no exception Many followers of Jesus value beautifully written deftly characterized and pulse quickening literary art that seems more satisfying than dry tedious doctrinal textbooks This book surveys 12 pieces of historical fiction that feature notable Christian thinkers They include an illustrated children s book about St Irenaeus of Lyons a novel about Martin Luther s Reformation a screenplay focusing on Dietrich Bonhoeffer and even a story about Pope Francis narrated in popular manga style Rather than arcane literary analyses this book provides thoughtful and sometimes painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction *A Landscape with Dragons* Michael D. O'Brien, 1998 The Harry Potter series of books and movies are wildly popular Many Christians see the books as largely if not entirely harmless Others regard them as dangerous and misleading In his book *A Landscape with Dragons* Harry Potter critic Michael O'Brien examines contemporary children s literature and

finds it spiritually and morally wanting His analysis written before the rise of the popular Potter books and films anticipates many of the problems Harry Potter critics point to A Landscape with Dragons is a controversial yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them In this study of the pagan invasion of children s culture O'Brien the father of six describes his own coming to terms with the effect it has had on his family and on most families in Western society His analysis of the degeneration of books films and videos for the young is incisive and detailed Yet his approach is not simply critical for he suggests a number of remedies including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution In doing so he points the way to rediscovery of time tested sources and to new developments in Christian culture If you have ever wondered why a certain children s book or film made you feel uneasy but you couldn't figure out why this book is just what you need This completely revised much expanded second edition also includes a very substantial recommended reading list of over 1 000 books for kindergarten through highschool

Aidan of Lindisfarne Ray Simpson, 2014-07-09 Seventh century Ireland is becoming a land of saints scholars and spiritual foster mothers as well as warriors The boy Aidan a descendant of Saint Brigid is formed by all of these as well as by a pilgrimage aborted by an Arab uprising on which he meets a follower of the Prophet Muhammad He is transferred to Iona the mother house of Saint Columba s family of monasteries where his character is forged Aidan becomes guest master to challenging visitors one of whom conducts a mysterious affair suffers a midlife crisis and develops friendships with royal Saxon exiles at the Dunadd court the seat of the real King Arthur Iona commissions Aidan to evangelize the original WASPs the White Anglo Saxon Pagan invaders of Britain Aidan offers a radically different approach to that of the Roman missionaries His gentle grassroots gospel sharing through friendship his villages of God that model God s kingdom his introduction of spiritual foster mothers such as Hilda to the English his soul friendships and heartbreaks with successive saintly and power hungry kings and his near death foresight into the future take us inside the heroic spiritual formation of a person and a people in a story that has contemporary significance Even Aidan s name Flame tells a story of its own

The Fathers of the Church, 3rd Edition Mike Aquilina, 2013-09-25 We hear the voices of the early Church Fathers even today Their teachings their guidance their insights and their sacrifice shaped the Catholic Church They defined the canon of Scripture They developed our creeds and forms of worship They defined Christianity s distinctive moral sense But who were they What can we learn from their ancient teachings What can the Fathers teach the 21st century about holiness culture faith and the Gospel This is the definitive resource for anyone interested in learning about the Church Fathers and their legacy Ideal for RCIA catechists clergy as well as lay Catholics who want to learn more about the great teachers of early Christianity In this new and extensively updated Third Edition you'll find New Twenty Church Fathers never before covered in this series Nearly 75 more pages of information on the early Church New Many poets of ancient Christianity whose hymns we still sing today An extensively revised introduction The Mothers of the Church and their impact
