Surfers, Soulies, Skinheads & Skaters Amy De La Haye, Cathie Dingwall, 1996 Authentic street clothes are presented alongside the high fashion spin offs they have inspired accompanied by quotes from their original wearers whose radical ideas have been a trendsetting influence on modern fashion

Climate Change Brian C. Black, David M. Hassenzahl Ph.D., Jennie C. Stephens, Gary J. Weisel, Nancy Gift, 2013-01-08 This book

provides a holistic consideration of climate change that goes beyond pure science fleshing out the discussion by considering cultural historical and policy driven aspects of this important issue Climate change is a controversial topic that promises to reframe rudimentary ideas about our world and how we will live in it The articles in Climate Change An Encyclopedia of Science and History are designed to inform readers decision making through the insight of scholars from around the world each of whom brings a unique approach to this topic The work goes beyond pure science to consider other important factors weighing the cultural historical and policy driven contributors to this issue In addition the book explores the ideas that have converged and evolved in order to clarify our current predicament By considering climate change in this holistic fashion this reference collection will prepare readers to consider the issue from every angle Each article in the work is suitable for general readers particularly students in high school and college and is intended to inform and educate anyone about climate change providing valuable information regarding the stages of mitigation and adaptation that are occurring all around us

Time, 1978 **Revolutionary Feminists** Barbara Winslow, 2023-07-07 Revolutionary Feminists tells the story of the radical women's liberation movement in Seattle in the 1960s and 1970s from the perspective of a founding member Barbara Winslow Drawing on her collection of letters pamphlets and photographs as well as newspaper accounts autobiographies and interviews Winslow emphasizes the vital role that Black women played in the women's liberation movement to create meaningful intersectional coalitions in an overwhelmingly White city Winslow brings the voices and visions of those she calls the movement's ecstatic utopians to life She charts their short term successes and lasting achievements from organizing women at work and campaigning for subsidized childcare to creating women centered rape crisis centers health clinics and self defense programs The Seattle movement was essential to winning the first popular vote in the United States to liberalize abortion laws Despite these achievements Winslow critiques the failure of the movement's White members to listen to Black Latina Indigenous and Asian American and Pacific Islander feminist activists Reflecting on the Seattle movement's accomplishments and shortcomings Winslow offers a model for contemporary feminist activism How the Personal Became Political Michelle Arrow, Angela Woollacott, 2020-06-09 How the Personal became Political brings together new research on the feminist and sexual revolutions of the 1970s in Australia It addresses the political and theoretical significance of these movements asking how and why did matters previously considered private and personal become public and political These movements produced a series of changes that were both interconnected and profound The pill became generally available and sexuality was both celebrated and flaunted Homosexuality was gradually decriminalized Gay liberation and Women's Liberation erupted Activists established women's refuges rape crisis centres and counselling services Crucially in Australia these developments coincided with the election of progressive governments who appointed women's advisors and expanded the role of the state in the provision of childcare and other services It was a decade of contestation and transformation This book addresses the political and theoretical significance of these 1970s revolutions and poses key

questions about the nature of sweeping change What were the key policy shifts How were protests connected to legislative reforms How did Australia fit into the broader transnational movements for change What are the legacies of these movements and what can activists today learn from them Scholars from several disciplines offer fresh insight into this wave of social revolution and its contemporary relevance This book was originally published as a special issue of the journal *Australian Feminist Studies*

A Companion to Textile Culture Jennifer Harris, 2020-08-17 A lively and innovative collection of new and recent writings on the cultural contexts of textiles The study of textile culture is a dynamic field of scholarship which spans disciplines and crosses traditional academic boundaries *A Companion to Textile Culture* is an expertly curated compendium of new scholarship on both the historical and contemporary cultural dimensions of textiles bringing together the work of an interdisciplinary team of recognized experts in the field The Companion provides an expansive examination of textiles within the broader area of visual and material culture and addresses key issues central to the contemporary study of the subject A wide range of methodological and theoretical approaches to the subject are explored technological anthropological philosophical and psychoanalytical amongst others and developments that have influenced academic writing about textiles over the past decade are discussed in detail Uniquely the text embraces archaeological textiles from the first millennium AD as well as contemporary art and performance work that is still ongoing This authoritative volume Offers a balanced presentation of writings from academics artists and curators Presents writings from disciplines including histories of art and design world history anthropology archaeology and literary studies Covers an exceptionally broad chronological and geographical range Provides diverse global transnational and narrative perspectives Included numerous images throughout the text to illustrate key concepts *A Companion to Textile Culture* is an essential resource for undergraduate and postgraduate students instructors and researchers of textile history contemporary textiles art and design visual and material culture textile crafts and museology
