Emoji Pragmatics Francisco Yus,2025-05-24 Emoji is everywhere on messaging apps social networking sites and even in offline media like billboards films and printed ads While there is a substantial existing bibliography on emojis it often fails to address their functions and interpretations in purely pragmatic terms specifically focusing on their impact on inferential strategies for both the emojis themselves and accompanying texts Existing books on this topic tend to focus on the semiotic aspects or visual impact of emojis rather than their crucial role in interpreting the messaging text or social media post to which they are attached as well as the way they communicate their own meanings when used in isolation so called naked emojis This book is original in analysing the pragmatic roles that emojis play in online communication the additional

information they convey and the role of context in their successful interpretation The book also argues that despite the apparent differences between words and images emojis perform similar functions and are inferred in similar ways to words with the aid of context Additionally the book dedicates several chapters to demographic variables age gender ethnic origin personality etc the role of interface affordances in emoji use and thematic areas where emojis are frequently found humour advertising marketing politics law and health

Cultural Diversity in Cross-Cultural Settings Tamilla

Mammadova,2021-09-20 The 21st century is marked by the intensive movement of people across international borders While languages are used as a means of interaction across the globe the nuances of communication vary from culture to culture This book explores how the misperception of cultural values and norms may result in misapprehension and communication breakdowns in various settings
