Cross Dressing, Sex, and Gender Vern L. Bullough, Bonnie Bullough, 1993 Not only surveys cross dressing and gender impersonation throughout history and in a variety of cultures but examines the medical biological psychological and sociological findings that have been presented in modern scientific literature

Crossdressing in Context, Vol. 2: Today's Transgender Realities Gregory G. Bolich, Ph. D. G. G. Bolich, 2007-06-19 The second volume in a 5 volume set The Context of Transgender Realities examines crossdressing as it is experienced by crossdressers and as it is interpreted by others including researchers from a number of different disciplines Organized as answers to frequently asked questions the text covers everything from what motivates crossdressing to when it begins how it proceeds and what it means

Transgender HIV/AIDS Prevention Program Manual Walter O. Bockting, 1993

Crossdressing in Context, Vol. 1 Dress & Gender Gregory G. Bolich, Ph. D. G. G. Bolich, 2007-04-02 The first in a five volume set this book reestablishes dress as a foundational context for crossdressing This major study demonstrates the interplay between sex gender and clothes especially as these relate to transgender behaviors of which crossdressing is the best known

Handbook of LGBT-Affirmative Couple and Family Therapy Jerry J. Bigner, Joseph L. Wetchler, 2012-05-04 The editors and contributors of this comprehensive text provide a unique and important contribution to LGBT clinical literature Spanning 30 chapters they discuss the diverse and complex issues involved in LGBT couple and family therapy In almost 15 years this book provides the first in depth overview of the best practices for therapists and those in training who wish to work effectively with LGBT clients couples and families need to know and is only the second of its kind in the history of the field The clinical issues discussed include raising LGBT children coming out elderly LGBT issues sex therapy ethical and training issues Because of the breadth of the book its specificity and the expertise of the contributing authors and editors it is the definitive handbook on LGBT couple and family therapy

Crossdressing in Context, Vol. 4 Transgender & Religion Ph. D. G. G. Bolich, 2009-01-01 Much debate exists over the proper religious perspective on transgender realities and people This volume examines transgender in the major world religions Extensive consideration is given to Christianity including the arguments presented both against transgender behaviors and by supporters of transgender people Religions covered include Christianity Judaism Islam Hinduism Buddhism Jainism Confucianism Taoism Shinto and indigenous religions such as Native American religions of the United States

Handbook of Medieval Sexuality Vern L. Bullough, James Brundage, 2013-01-11 Like specialists in other fields in humanities and social sciences medievalists have begun to investigate and write about sex and related topics such as courtship concubinage divorce marriage prostitution and child rearing The scholarship in this significant volume asserts that sexual conduct formed a crucial role in the lives thoughts hopes and fears both of individuals and of the institutions that they created in the middle ages The absorbing subject of sexuality in the Middle Ages is examined in 19 original articles written specifically for this

Handbook by the major authorities in their scholarly specialties The study of medieval sexuality poses problems for the researcher indices in standard sources rarely refer to sexual topics and standard secondary sources often ignore the material or say little about it Yet a vast amount of research is available and the information is accessible to the student who knows where to look and what to look for This volume is a valuable guide to the material and an indicator of what subjects are likely to yield fresh scholarly rewards *Crossdressing with Dignity* Peggy J. Rudd,1999 *Crossdressing With Dignity* is a book addressing the emotions that surface when men cross gender lines This book represents the collective input from over 600 men and women who participated in a survey on crossdressing **The Transgender Encyclopedia** Brent L. Pickett,2024-02-26 With over 200 entries ranging from Ancient Egypt to contemporary developments in law media and politics the Transgender Encyclopedia shows how gender diversity spans the world and has done so for millennia Read about how cultures have recognized and affirmed third and fourth genders The history and development of trans activism is highlighted making this an outstanding volume for those in the community who seek connection and inspiration as well as for those who want to grow as an ally With a chronology of important events in trans history an introduction discussing conceptual issues and an extensive bibliography this work provides an essential starting point for those beginning research or for anyone seeking to learn more about the topic The Transgender Encyclopedia has country and region entries that show gender diversity across our world The volume also covers film literature and theater along with entries on trans and non binary persons who have shaped and continue to influence the contemporary era Readable yet analytically sophisticated this is an excellent one volume introduction to a broad range of transgender related topics Written by an academic who has taught freshman level courses for decades it is suitable for college and high school students
