Crossing Paths Uncommon Encounters With Animals In The Wild

Nancy Pearl

Crossing Paths Uncommon Encounters With Animals In The Wild:

Crossing Paths Craig Childs, 1997 Naturalist Craig Childs describes his encounters both hostile and friendly with the wild creatures of the American West from bears sharks bald eagles and northern spotted owls to red spotted toads and mosquitoes Devoid of cloying sentimentalism his essays offer sound scientific information while insightfully conveying how human lives and those of wild creatures intersect Annotation copyrighted by Book News Inc Portland OR *The Animal Dialogues* Craig Childs, 2007-12-12 From one of the finest nature writers at work in America today a lyrical dramatic illuminating tour of the hidden domain of wild animals Whether recalling the experience of being chased through the Grand Canyon by a bighorn sheep swimming with sharks off the coast of British Columbia watching a peregrine falcon perform acrobatic stunts at 200 miles per hour or engaging in a tense face off with a mountain lion near a desert waterhole Craig Childs captures the moment so vividly that he puts the reader in his boots Each of the forty brief compelling narratives in *The Animal Dialogues* focuses on the author's own encounter with a particular species and is replete with astonishing facts about the species behavior habitat breeding and lifespan But the glory of each essay lies in Childs's ability to portray the sometimes brutal beauty of the wilderness to capture the individual essence of wild creatures to transport the reader beyond the human realm and deep inside the animal kingdom Of Slash Pines and Manatees Andrew Furman, 2025-03-18 Through stories of nature near at hand Andrew Furman explores touchpoints between his everyday suburban life and the environment in South Florida contemplating his place in a subtropical landscape stretching from the Everglades to the Atlantic coast **The Landscape of Home** Jeff Lee, John Calderazzo, Sue Ellen Campbell, David Waag, 2006 An anthology of some of the most evocative writing focusing on our vast natural heritage along with pieces that address pressing land issues facing the West This collection not only paints a vivid portrait of life in the Rocky Mountains it also presents some of the finest nonfiction writing to be found in America today This is a perfect selection that is bound to sink reader's roots deeper in the landscape of home **Joy of Backpacking** Brian Beffort, 2015-07-20 A comprehensive guide covering every aspect of how to backpack from planning a first trip to advanced wilderness travel For those new to the activity longtime backpacker and author Brian Beffort covers the fundamentals with sections on trip planning gear backcountry nutrition and cooking navigation and other essential wilderness skills You will also learn what to expect on the trail and in camp and how to stay safe with first aid weather preparedness and more For experienced packers this book is filled with practical tips and inspired ideas on how to update and refine your approach to backpacking based on trends in lightweight gear high tech gadgets changing wilderness rules and increasing opportunities for wilderness travel around the world **The Way Out** Craig Childs, 2007-09-03 The gritty and riveting story of naturalist Craig Childs's epic journey through the desert canyons of the American Southwest The Oregonian Are you prepared for a perilous journey into the wild This taut intensely dramatic narrative immerses us in a labyrinth of canyons in the American Southwest where virtually nothing is alive barely any vegetation few signs of wildlife

and scant traces of any human precursors and where we pay witness as two men confront not just immutable forces of nature but the limits of their own sanity As a chronicle of adventure as an emotionally charged human drama as a confessional memoir *The Way Out* is a transcendent book a work destined to earn a lasting place in the literature of extremes *The Secret Knowledge of Water* Craig Childs,2008-12-14 Naturalist Craig Childs s utterly memorable and fantastic study of the desert s dangerous beauty is based on years of adventures in the deserts of the American West Washington Post Like the highest mountain peaks deserts are environments that can be inhospitable even to the most seasoned explorers Craig Childs who has spent years in the deserts of the American West as an adventurer a river guide and a field instructor in natural history has developed a keen appreciation for these forbidding landscapes their beauty their wonder and especially their paradoxes His extraordinary treks through arid lands in search of water are an astonishing revelation of the natural world at its most extreme Utterly memorable and fantastic Certainly no reader will ever see the desert in the same way again Suzannah Lessard Washington Post **Book Lust Journal** ,2005-01-01 *Field & Stream* ,1997-10 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations **Book Lust** Nancy Pearl,2009-09-29 What to read next is every book lover s greatest dilemma Nancy Pearl comes to the rescue with this wide ranging and fun guide to the best reading new and old Pearl who inspired legions of litterateurs with *What If All name the city* Read the Same Book has devised reading lists that cater to every mood occasion and personality These annotated lists cover such topics as mother daughter relationships science for nonscientists mysteries of all stripes African American fiction from a female point of view must reads for kids books on bicycling chick lit and many more Pearl s enthusiasm and taste shine throughout

Ignite the flame of optimism with Crafted by is motivational masterpiece, **Crossing Paths Uncommon Encounters With Animals In The Wild** .
