Crossing The River Creating A Conceptual Revolution In Community And Disability:

Crossing the River David B. Schwartz, 1992 Presents a new conception of care that seeks to embed persons with disabilities in a web of personal relationships to make their living experience more connected to the other people in their community to find ways to involve them intrinsically in the flow of their community Schwartz points out the promise potential and limits of this new direction illustrating with a series of exciting experiments in social policy in Pennsylvania This book also has important implications for other groups disenfranchised from their communities those with mental illness and those who are homeless

Pathways to Inclusion John Lord, Peggy Hutchison, 2007

Community Practice David A. Hardcastle, Patricia R. Powers, Stanley Wenocur, 2004 Community Practice is a comprehensive resource for social workers and students eager to learn how to practice effectively in complex systems and diverse communities In this completely revised edition of the definitive text in the field the authors have thoroughly updated each chapter and added two entirely new chapters on community building and community organizing New material on topics such as negotiation and mediation community advocacy participatory rural appraisal the narrative approach to social change community involvement representative client boards and the latest in grassroots endeavors make this text as inspiring as it is practical Drawing upon the wealth of information available from local organizations the Internet newspapers and academic journals the authors introduce contemporary experiments and analyze classic modes of community practice and change The content exercises and references offer instructors the flexibility necessary to tailor their courses to undergraduate graduate and doctoral level students This new edition will continue to provide a comprehensive and integrated overview of the theory and skills fundamental to all areas of social work practice Broad in scope it offers students as well as practitioners the tools necessary to promote the welfare of individuals and communities

Claiming Disability Simi Linton, 1998-01-01 From public transportation and education to adequate access to buildings the social impact of disability has been felt everywhere since the passage of the Americans with Disabilities Act in 1990 And a remarkable groundswell of activism and critical literature has followed in this wake Claiming Disability is the first comprehensive examination of Disability Studies as a field of inquiry Disability Studies is not simply about the variations that exist in human behavior appearance functioning sensory acuity and cognitive processing but the meaning we make of those variations With vivid imagery and numerous examples Simi Linton explores the divisions society creates the normal versus the pathological the competent citizen versus the ward of the state Map and manifesto Claiming Disability overturns medicalized versions of disability and establishes disabled people and their allies as the rightful claimants to this territory

Learning Disability Grant, Gordon, Ramcharan, Paul, Flynn, Margaret, 2010-05-01 Learning Disability uses a life cycle approach to show how those with learning disabilities can be helped most at different stages in their lives
