The Unfinished Garden Barbara Claypole White, 2012-08-28 A mesmerizing tale of fear loss and love a novel as beautiful and complex dark and light sweet and sensuous as Tilly's beloved garden Joanne Rendell author of The Professors Wives Club James Nealy is haunted by irrational fears and inescapable compulsions A successful software developer he's thrown himself into a new goal to finally conquer the noise in his mind And he has a plan He'll confront his darkest fears and build something beautiful a garden When he meets Tilly Silverberg he knows she holds the key even if she doesn't think so After her husband's death gardening became Tilly's livelihood and her salvation Her thriving North Carolina business and her young son Isaac are the excuses she needs to hide from the world So when oddly attractive incredibly tenacious James demands that she take him on as a client her answer is a flat no When a family emergency lures Tilly back to England she's secretly glad With Isaac in tow she retreats to her childhood village which has always stayed obligingly the same Until now Her best friend is keeping secrets Her mother is plotting Her first love is unexpectedly temptingly available And then James appears on her doorstep Away from home James and Tilly forge an unlikely bond tenuous at first but taking root every day And as they work to build a garden together something begins to blossom between them despite all the reasons against it I found the writing style in The Unfinished Garden reminiscent of Rosamunde and Robin Pilcher As a fan of both I truly enjoyed this book Julie Kibler author of Calling Me Home **The Blackwell Companion to Catholicism** James J.
