Crucified Love Bonaventures Mysticism Of The Crucified Christ:

Crucified Love Ilia Delio (o.s.f.),1998 Crucified Love Ilia Delio,1998 The author studies various aspects of Bonaventure's mystical world view leading to an understanding of his relevance to contemporary issues such as individualism and relatedness peace and violence and the problems of the created world's relationship to the person who seeks to love God in all and above all **Flannery O'Connor and Stylistic Asceticism** Rachel Toombs,2022-10-07 Flannery O'Connor and Stylistic Asceticism explores the impact style has not only on a story's meaning but on the reading experience O'Connor's sparingly wrought stories particularly in their climactic moments of divine disclosure invite characters and readers alike into invitations of graced encounters that often wound even as they bless Flannery O'Connor and Stylistic Asceticism draws out the force and vulnerability in reading spare stories of graced encounters by identifying a kinship with a much older form of storytelling biblical Hebrew narrative Focusing on the climactic scenes of O'Connor's *Wise Blood* and Genesis 32's account of Jacob's nighttime wrestling Rachel Toombs offers a fresh take on the theological impact of spare narration These stories invite readers into a posture akin to prayer where in an uncluttered space we see ourselves as we truly are and there meet God Bonaventure, the Body, and the Aesthetics of Salvation Rachel Davies,2019-12-12 Examines the link between Bonaventure's aesthetics and anthropology in light of contemporary anxieties surrounding bodily diminishment *Truth and Reality* Douglas Dales,2021-01-28 This is a thorough study and exposition of the last work for which St Bonaventure was responsible before his death in 1274 The *Collations on the Hexameron* also called *The Illuminations of the Church* comprises lectures that he gave in Paris in 1273 to Franciscan and other students and masters in the university there They were recorded by two independent witnesses and one version the definitive one was prepared for publication and approved by Bonaventure This is one of the most interesting original and important texts of medieval theology and it has been well translated and edited in a new edition The purpose of this study is to examine the precise context for the approach that Bonaventure took to place this work as the culmination of his spiritual theology and to provide the reader with a lucid epitome of the contents of the text drawing out their significance for theology and prayer in the life of the Church tod255p ay

Divine Illumination Lydia Schumacher,2011-04-18 In *Divine Illumination* Schumacher offers an original approach to Augustine's theory of divine illumination the precondition of all human knowledge Written with great originality and clarity she traces the idea through medieval thinkers into early modernity and reveals its importance in modern theories of knowledge Takes an original approach to reading Augustine's theory of divine illumination and shows how the theory was transformed and reinterpreted in medieval philosophy and theology Presents a groundbreaking way of thinking about the writings of Augustine Anselm Bonaventure Aquinas and John Duns Scotus and relates this to cutting edge questions in contemporary philosophy of religion especially epistemology Is a significant contribution to the history of philosophy but also to contemporary debates on faith and reason Lays the foundation for future efforts to come to terms with the contemporary
