Download : [Critical Issues In Rural Health](#)

Read : [Critical Issues In Rural Health](#)

Description :

A large sector of the United States (U.S.) population. About 22 percent of Americans, approximately 55 million people, are considered rural residents. Rural people have a unique set of health issues they experience social, cultural, and economic disadvantages that can increase their risk for adverse health consequences. The first text of its kind, Critical Issues in Rural Health, provides comprehensive sociological study of rural health and health

Critical Issues In Rural Health

Jennie Jacobs Kronenfeld

Critical Issues In Rural Health:

Critical Issues In Rural Health Lois Wright, Nan E. Johnson, 2004-05-31 A large sector of the United States U S population About 22 percent of Americans approximately 55 million people are considered rural residents Rural people have a unique set of health issues they experience social cultural and economic disadvantages that can increase their risk for adverse health consequences The first text of its kind Critical Issues in Rural Health provides comprehensive sociological study of rural health and health care trends in the United States by examining the health and well being of rural populations at all stages of life Editors Glasgow Morton and Johnson present integrative reviews of theory and research on rural health issues with the most up to date statistics of empirical research This informative and groundbreaking text goes beyond the scope of previous studies and emphasizes differences between rural and urban areas in health and health care Surprisingly little research has examined the differences in disability and morality rates by residence or degree of rurality this book does In addition contributing authors report on the impact of age or life stage race and ethnicity social class rural occupations and community structure on various health issues

Rural Populations and Health Richard Crosby, Monica L. Wendel, Robin C. Vanderpool, Baretta R. Casey, 2012-07-30 Health related disparities remain a persistent serious problem across the nation s more than 60 million rural residents Rural Populations and Health provides an overview of the critical issues surrounding rural health and offers a strong theoretical and evidence based rationale for rectifying rural health disparities in the United States This edited collection includes a comprehensive examination of myriad issues in rural health and rural health care services as well as a road map for reducing disparities building capacity and collaboration and applying prevention research in rural areas This textbook offers a review of rural health systems in Colorado Kentucky Alabama and Iowa and features contributions from key leaders in rural public health throughout the United States Rural Populations and Health examines vital health issues such as Health assessment Strategies for building rural coalitions Promoting rural adolescent health Rural food disparities Promoting oral health in rural areas Physical activity in rural communities Preventing farm related injuries Addressing mental health issues Cancer prevention and control in rural communities Reducing rural tobacco use Rural Populations and Health is an important resource for students faculty and researchers in public health preventive medicine public health nursing social work and sociology

Critical Issues in Contemporary China Czeslaw Tubilewicz, 2016-12-12 Critical Issues in Contemporary China Unity Stability and Development comprehensively examines key problems crucial to understanding modern day China Organized around three interrelated themes of unity stability and development each chapter explores distinct issues and debate their significance for China domestically and for Beijing s engagement with the wider world While presenting contending explanatory approaches contributors advance arguments to further critical discussion on selected topics Main issues analysed include political change military transformation legal reforms economic development energy security environmental degradation food security and safety demographic trends

migration and urbanization labour unrest health and education social inequalities ethnic conflicts Hong Kong's integration cross Strait relations Given its thorough and up to date assessment of major political social and economic challenges facing China this fully revised and substantially expanded new edition is an essential read for any student of Chinese Studies

Social Determinants, Health Disparities and Linkages to Health and Health Care Jennie Jacobs

Kronenfeld,2013-09-23 This volume looks at the key links between social determinants health disparities and health and health care There is a particular focus on macro level systems and micro level issues including the examination of issues for patients carers and providers of care **Rural America** ,2001 **Towards a Sociology of Health Discourse in Africa**

Jimoh Amzat,Oliver Razum,2017-08-04 This book discusses fundamental discourses relating to health in Africa arising out of the consequences of endemic diseases in Africa It identifies explains and illustrates the contexts challenges and efforts to combat these diseases The book provides a unique comparative analysis of African contexts of health thereby not ignoring the global contexts of health within which Africa exists It follows a macro analytic stance about health in Africa framed around significant pressing issues Discourse of disease is part of a profound sociological discourse of health in Africa which provides a framework for students academics and healthcare practitioners to understand the states of health and healthcare in Africa *Practicing Care in Rural Congregations and Communities* Jeanne Hoeft, L. Shannon Jung, Joretta Marshall,L

Shannon Jung,2013-07-01 Pastoral care in rural communities is different from care in other locales Despite these differences rural churches and communities also hold a particular wisdom from which the rest of the church might benefit Small towns and rural areas have particular challenges and in seeking to live out the Christian life in the midst of those local churches have unique and useful insights into what it means to care for one another **Full Committee Hearing on Limited**

Health Care Options for Small Businesses in the Small Group Market United States. Congress. House. Committee on Small Business,2008 **Rural Families and Work** Jean W. Bauer,Elizabeth M. Dolan,2011-09-15 Rural Families and Work

focuses on the findings of the Rural Families Speak research study and the theoretical frameworks that are utilized to examine the context of rural low income families employment This volume provides a solid foundation for understanding rural employment problems and issues Family ecological theory is the central framework with a discussion of theories that contribute to the opportunities for the contextual research including family economic stress theory human capital human capability and some selected policy frameworks Employment is addressed through review of policy issues community contexts family and social support and available resources Throughout the volume future research directions and applications are highlighted *Rural Aging in 21st Century America* Nina Glasgow,E. Helen Berry,2012-12-14 This book

investigates sociological demographic and geographic aspects of aging in rural and nonmetropolitan areas of the United States Population aging is one of the most important trends of the 20th and 21st centuries and it is occurring worldwide especially in more developed countries such as the United States Population aging is more rapid in rural than urban areas of

the U S In 2010 15 percent of the nonmetropolitan compared to 12 percent of the metropolitan population were 65 years of age and older By definition rural communities have smaller sized populations and more limited healthcare transportation and other aging relevant services than do urban areas It is thus especially important to study and understand aging in rural environments Rural Aging in 21st Century America contributes evidence based policy relevant information on rural aging in the U S A primary objective of the book is to improve understanding of what makes the experience of rural aging different from aging in urban areas and to increase understanding of the aged change the nature of rural places The book addresses unique features of rural aging across economic racial ethnic migration and other structures and patterns all with a focus on debunking myths about rural aging and to emphasize opportunities and challenges that rural places and older people experience
