Janosik,2016-11-08 Much of the world today is convulsed in an epic struggle between the Christian West and Islam Scholars seeking to understand the issues look back in history to unearth the roots of this conflict Of great value in this effort are the writings of an eyewitness a devoted Christian who served as chief financial officer of the Umayyad Empire and wrote at the time Islam was developing John of Damascus 675 750 authored two major works the Heresy of the Ishmaelites and the Disputation between a Christian and a Saracen to provide an apologetic response to Islam from a Christian perspective His writings shed light on many questions that are pertinent today When was the Qur an actually written What was the role of the powerful caliph Abd al Malik in the making of Muhammad How did the theological issues related to the deity of Christ and the Trinity develop in the early days of Islam This book delves into the life of John and studies his apologetic writings in detail utilizing the first English translation from the critical text It seeks to address these questions thoughtfully provide valuable insights from the past and then equip today s church as it engages with Islam **Neighboring Faiths** Winfried Corduan,2024-04-30 In this updated and revised edition of a classic text readers will find informed empathetic insights into world religions like Judaism Islam Hinduism Native American religion and many more Emphasizing both formal teaching and daily practice this text shows Christians how to engage adherents of these faiths in constructive dialogue **Identity Crisis** Sarah Yoon,2015-03-17 This book provides a general overview of the identity crises BMB believer from Muslim background women in Jordan go through

and reasons for it Traditionally persecution from family community or the secret police is thought to leave these women with newfound faith However even before persecution exposes their new faith many initial believers give up seeking the new truth and return to their previous phase due to a serious identity crisis This phenomenon is found to occur particularly often among female BMBs because of their unique circumstances in the religious and sociocultural contexts of Jordan Through an examination of BMB women s narratives this book explores how Muslim women form their identities and what they experience in the process of conversion *Toward Respectful Understanding and Witness among Muslims* Evelyne A. Reisacher, Joseph L. Cumming, Dean S. Gilliland, 2012-06-28 Fifteen preeminent Christian scholars of Islam present their latest research and reflections The book is organized around three themes encouraging friendly conversation Christian scholarship and Christian witness Published in honor of J Dudley Woodberry it is more than a collection of essays by friends and colleagues It offers a seldom available synopsis of the theories of contemporary leading Christian academicians whose work is currently influencing a wide range of Christian institutions agencies churches and individuals The authors provide cutting edge and greatly needed resources for developing a better understanding of Muslims In an age of increasing challenges facing Muslim Christian relations this volume offers Christians a unique opportunity to rethink their assumptions It also presents practical steps which can inform their daily encounters with Muslims This book is essential reading for people with research interests in Islam for Bible school and seminary students for church leaders and for all those who want to be informed of the latest empirical research and theoretical perspectives affecting Muslim Christian relations

Scriptural Polemics Mun'im Sirry, 2014-05-01 A number of passages in the Qur an criticize Jews and Christians from claims of exclusive salvation and charges of Jewish and Christian falsification of revelation to cautions against the taking of Jews and Christians as patrons allies or intimates Mun'im Sirry offers a novel exploration of these polemical passages which have long been regarded as obstacles to peaceable interreligious relations through the lens of twentieth century tafsir exegesis He considers such essential questions as How have modern contexts shaped Muslim reformers understanding of the Qur an and how have the reformers interpretations recontextualized these passages Can the Qur an s polemical texts be interpreted fruitfully for interactions among religious communities in the modern world Sirry also reflects on the various definitions of apologetic or polemic as relevant sacred texts and analyzes reformist tafsirs with careful attention to argument literary context and rhetoric in order to illuminate the methods positions and horizons of the exegeses *Scriptural Polemics* provides both a critical engagement with the tafsirs and a lucid and original examination of Qur anic language logic and dilemmas showing how the dynamic and varied reformist interpretations of these passages open the way for a less polemical approach to other religions
