

Jerry Bradley's careful craft, combined with his distinct and zany voice, make his poems in *Crownfeathers and Effigies* some of the most memorable moments in contemporary poetry.

William V. Davis, Yale Younger Poet, author of *One Way To Reconstruct the Scene*

*Crownfeathers and Effigies* sustains the high-quality craftsmanship Bradley has forged in his poems since his first book nearly a quarter-century ago. Though varied in subject and style, the collection consistently showcases his trademark wit, which is "sharper than a garden tool." Ranging from troubled love and bad news to the ironies of writer's block and the poetic imagination itself, these new poems brim with an intelligence that again and again results in delight. This book is made to last.

Matthew Brennan, author of *The House with the Mansard Roof*

Poet Jerry Bradley uses his formidable skill as a poet to parse the quotidian reality each of us must encounter whether alone in stark motel rooms or in the ruckus of disgraced human failures. In his meticulous language and keen imagery, he finds small truths in uncertainty, wry humor between the generations, and relentlessly creates beauty "spun from grammar's broken glass" as he doses us with his many tales "of a single human ache."

Sarah Cortez, author of *Cold Blue Steel*

These are quiet, intimate, witty conversational poems addressing how the human heart forgets itself under personal injury and the stinging justice of misery, and then, in the poignancy of remembering itself, is reborn again, unyielding, ready for "another waltz at the window, one more dance." If pain is "unresurrected" truth, then healing is "coming back to familiar spots to remember" a world we forgot existed or that we never even expected. Read this book and let your heart be healed.

## **Crownfeathers And Effigies:**

**Effigy** Alissa York, 2025-10-16 A small masterpiece Exhilarating and genuinely fresh National Post Canada Set on a Mormon ranch in nineteenth century Utah and inspired by the real events of the Mountain Meadows Massacre of 1857 Alissa York's Effigy is a haunting story of a polygamous family united by faith but separated by secrets At the heart of the novel is Dorrie the fourth wife of rancher hunter and horse breeder Erastus Hammer A pale child bride with a mass of untamable black hair she cannot recall anything of her life before she recovered from an illness at the age of seven Her keenest pleasure lies in the act of bringing dead creatures to life through the art of taxidermy and Hammer has married her not for love or even lust but so that she might make fitting trophies of his kills The matter is urgent for Hammer as he is slowly going blind Happy to be given this work Dorrie secludes herself in her workshop world away from Mother Hammer's watchful eye and the rivalry of the elder wives But when Hammer brings Dorrie a whole family of wolves to fashion into a tableau she struggles with her craft for the first time in her short life dreaming each night of crows and strange scenes of violence The new hand Bendy Drown is the only one to see her dilemma and offer her help a dangerous game in a Mormon household Outside a lone wolf prowls the grounds looking for his lost pack and his nocturnal searching will unearth the secret tensions of this complex and conflicted family Societies of the Crow, Hidatsa and Mandan Indians Alanson Skinner, Clark

*Midwestern North America* Robert A. Birmingham,Amy L. Rosebrough,2025-07-31 First comprehensive overview of the effigy mound phenomenon of the Upper Midwest of North America c 700 1100 CE This book provides an overview of the effigy mound phenomenon of the Upper Midwest of North America centered on southern Wisconsin Between c AD 700 and 1100 Late Woodland people of the Upper Midwest used the topography and other natural features to create vast ceremonial landscapes consisting of thousands of earthen mounds sculpted into animals and animal spirits bears birds panthers snakes etc that mirrored their belief and clan based social structure and served an important role in mortuary ritual In so doing the

Late Woodland people created quite visible three dimensional maps of ancient cosmology and social structures that are similar to the beliefs and social systems of more recent Native people The effigy landscapes of this region are unique The authors document the nature of the effigy mound landscapes describing the use of topography and natural features to create them and provide the interpretation that these were living landscapes in which ancestral animals and the supernatural were ritually brought back to life in a continuous cycle of death and rebirth of the earth and its people Subsistence patterns artifacts settlement systems and changes in these through the effigy building era are examined and effigy mound societies are compared and contrasted with preceding and succeeding societies as well as contemporaneous societies in adjacent regions Examples are drawn from throughout the effigy mound region The book is profusely illustrated with high quality historical and modern maps photographs of effigy mounds including aeriels and LiDAR imagery providing three dimensional images

**The North American Indian: The Tiwa. The Keres** Edward S. Curtis, 1926 A comprehensive and permanent record of all the important tribes of the United States and Alaska that still retain to a considerable degree their primitive customs and traditions The value of such a work in great measure will lie in the breadth of its treatment in its wealth of illustration and in the fact that it represents the result of personal study of a people who are rapidly losing the traces of their aboriginal character and who are destined ultimately to become assimilated with the superior race It has been the aim to picture all features of the Indian life and environment types of the young and the old with their habitations industries ceremonies games and everyday customs Though the treatment accorded the Indians by those who lay claim to civilization and Christianity has in many cases been worse than criminal a rehearsal of these wrongs does not properly find a place here
