

The Crucible

ask These Questions – all questions are in order of events in Act Three

What does the suppressed guilt of The Crucible, which opened your consciousness, reveal about American Puritanism, and therefore, implications of the text? (Including its opening line that justice is required by divine circumstances. It is an attempt not to allow the spiritual judgement to determine its action that goes to revealing a self-made, false world, to a better, something of justice, to the idea of a judgment of society and state.) (Questions, John May, American Literature, Cambridge, Mass, Sep. 2011)
