Crucifixion New Testament Series:

Through the Lens of An Ancient Yisra'elite Bible Study Benjamin Nieves Carrasquillo Jr., 2025-05-28 The information contained in this book is based on 23 years of thorough academic research teaching and schooling The book avoids any form of western bias no presuppose ideas ideologies or theories The book is an in depth study of the Biblical text within the context of the ancient culture language traditions and customs of a first century Yisra elite **Israel and the Covenants in New Testament Times** Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that [The Collected Works of Edward Schillebeeckx Volume 9](#) Edward Schillebeeckx, 2014-09-25 The Church with a Human Face A New Expanded Theology of Ministry elaborates historically and theologically the main line of his argument It further includes reactions and reflections on criticism he received The work outlines the evolution of ecclesiastical office starting with Jesus Christ and his messianic community followed by a description of the practice and theology of ministry in the early Christian communities and tracing different forms of ministry in the history of the Church Of particular interest is the section on the Complaints of the People which deals with the discontent of many connected with the position of women and married priests As long as women are not allowed to participate fully in the decisions of the Church

Schillebeeckx argues they will not be liberated and their complaints will remain a fundamental charge that challenges the church

The End of Times Roy Burger, Julia Burger, 2019-03-08 The interpretation of end time prophecy is not an easy venture To make matters worse most of the authors who have interpreted the metaphors have in fact added their opinions instead of studying the revelations as the Lord intended So how do we catch the message of the Lord instead of being misled by our own interpretations The End of Times can help us to interpret the will of God since his revelations are written throughout the Word and we need to humbly understand his thoughts Authors Roy and Julia Burger invite believers to join them in a search through the Bible to uncover the intentions of God behind the symbolism thus gaining the knowledge of God They also provide other views that may have gone astray of the Word comparing scriptures and letting the Word speak for itself Colossians 1:10 NASB reads so that you will walk in a manner worthy of the Lord to please Him in all respects bearing fruit in every good work and increasing in the knowledge of God Because the end times are approaching now is the time to heed this divine wisdom and listen to God directly

When Did we See You Naked? Jayme R. Reaves, David Tombs, Rocio Figueroa, 2021-03-31 Was the stripping and exposure of Jesus a form of sexual abuse If so why does such a reading of Jesus suffering matter The combined impact of the MeToo movement and a further wave of global revelations on church sexual abuse have given renewed significance to recent work naming Jesus as a victim of sexual abuse Timely and provocative When did we see you naked presents the arguments for reading Christ as an abuse victim as well as exploring how the position might be critiqued and what implications and applications it might offer to the Church
