From the Trenches N.S Jordan, 2019-01-18 Have you ever been chased by a ghost or felt one Hounded by a reporter or a ghost chaser Or be asked to check out a property to see if it s haunted Ever chased a seller s runaway dog down the street in high heels or got bitten by one From suburban deer hunting tenants naked homeowners and stories that would make a good scene for a Hitchcock Thriller to voodoo hoodoo and all kind of craziness Get ready to read a collection of true stories that I couldn t dream up even with my wildest imagination

Anatomy of Rebellion Claude Emerson Welch, 1980-01-01 *Anatomy of Rebellion* provides an understanding of four rebellions that will make clear the factors that are crucial in the development of other rebellions Seeking a political pattern in the process of rebellion Claude Welch Jr has investigated four large scale rural uprisings that came close to becoming revolutions the Taiping rebellion in China 1850 64 the Telengana uprising in India of 1946 51 the Mau Mau rebellion in Kenya of 1952 56 the Kwilu uprising in Zaire of 1963 65 Weaving the facts of these rebellions with theories about political violence Welch follows the rebellions through the initial stages of discontent to the explosion of violence to the suppression of the uprisings He then challenges explanations of political violence both Marxist and non Marxist that other scholars have proposed Rebellions have not been studied as thoroughly as the major successful revolutions although the frequency of rebellions in the modern world is not likely to diminish Rural dwellers discontents are still clashing with central governments ambitions *Anatomy of Rebellion* clarifies how this volatile type of political violence occurs
