Fool's Hill Dr. Ron Cubit,2019-11-22 The two most important days in your life are the day you are born and the day you find out why Mark Twain Dr Cubit s memoir *Fool s Hill The Meaning Why* As displayed on the front cover an angry young man is about to climb a hill which represents the challenge of discovering his meaning why There is a path to follow however the young man cannot see what lies ahead because of the dark clouds The front cover displays one path which he must traverse *Fool s Hill* to discover his meaning why and fulfill his destination in life The young man is unclothed indicating that he does not have the necessities or tools to navigate *Fool s Hill* or the wherewithal to choose what he needs to make the journey The back cover displays the same young man who is older now after enduring the challenges of climbing *Fool s Hill* Along the way he finds his meaning why Moreover because of the lessons learned from his journey he is fully clothed and prepared Equipped with tools on one hand is a doctorate degree and on the other is a hiking pole to help him avoid trips and falls In addition instead of a dark path as displayed on the front cover the bridge on the back cover represents a straightforward path to fulfilling his meaning why On the back cover in the background are more hills to master Still because of overcoming life s challenges and the tools acquired the hills appear much smaller Moreover the scenery displayed on the back cover helps him not to forget that future challenges may exist The scenery also helps him realize the beauty of his journey and to bestow gratitude for his relationship with God which helped him overcome the obstacles along his path in addition to the blessings and serendipities acquired The man looks beyond and can now use his God given talents and tools to continue his journey and enhance his meaning why Ergo Dr Cubit s life in the memoir *Fool s Hill The Meaning Why*
