Crime And Justice A Guide To Criminology:

Crime and Justice Marinella Marmo, Willem De Lint, Darren Palmer, 2011 CRIME AND JUSTICE A GUIDE TO CRIMINOLOGY is Australia's leading introductory text for the study of crime and criminology. The fourth edition has been completely revised and includes the latest examples and statistics to support the content and theory discussed. Written in an engaging and accessible style that captures the attention of modern Australian students, this book provides insightful contemporary criminological analysis from Australia's leading criminology scholars. Criminal Justice Gerardo Cruz Durante, 2013-04-24 This book serves as an introduction for any high school student interested in the criminal justice field. It is an informative reader-friendly resource filled with graphs, charts, and photos that represent real-world scenarios and true stories of offenders. The book guides students through the concepts and process of justice, the understanding of the investigative process, the different categories of crimes, how an arrest is made, domestic violence issues, and the concepts of probation and parole. A wide variety of career fields are highlighted in the criminal justice arena that provides key information that students will need to identify the career path for their future. *Research Handbook of Comparative Criminal Justice* Nelken, David, Hamilton, Claire, 2022-09-15 With contributions from leading experts in the field, this timely Research Handbook reconsiders the theories, assumptions, values, and methods of comparative criminal justice in light of the challenges and opportunities posed by globalisation, deglobalisation, and transnationalisation. Indigenous Courts, Culture and Partner Violence Elena Marchetti, 2019-03-30 This book examines the use and impact of Australian Indigenous sentencing courts in response to Indigenous partner violence. In operation in Australia since 1999, these courts were first established by a magistrate in South Australia who sought to improve court communication and understanding and trust in the criminal justice system for Indigenous people. Indigenous Courts, Culture and Partner Violence is the first book to consider how the transformation of a sentencing process into one that better reflects Indigenous cultural values can improve outcomes for both victims and offenders of Indigenous partner violence. It asks which aspects of the sentencing process are most important in influencing a change in attitude and behaviour of Indigenous offenders who repeatedly engage in abusive behaviour towards their partner and what types of justice process better meets the relationship, rehabilitative, and safety needs of Indigenous partner violence offenders and their victims. Marchetti examines the adaptation of a formal sentencing process to make it more culturally meaningful when responding to Indigenous partner violence and gauges victim and offender views about how the court process has affected their lives and relationships and elicits their views of violence within their communities. This innovative work will be of great interest to academics, researchers, policy makers, police, lawyers, family violence service providers, and students.
