

A silhouette of a man's head and shoulders is centered in the frame, facing away from the viewer and looking out a window. The window is composed of several rectangular panes separated by dark frames. Bright, yellowish light streams in from the window, creating a strong contrast with the dark interior and the man's silhouette. The overall mood is contemplative and somber.

Crimes And Secrets Of A Desperate Dad:

Memories of the Way It Was K.L. Smith, 2025-10-04 Memories of the Way It Was is a random collection of my thoughts and memories of my life As an elderly adult I have time to sit for hours and reminisce and remember moments from my past I have time to analyze the past moments of my life and how these past moments have helped shape me into the person that I am In the pages of this book I have written stories about friends and relatives from my past and present I have written a partial accounting of my family's history according to how it was told to me and from my personal observations and experiences I was there in the flesh to live these moments and I am left with precious memories All my life I have had vivid dreams that seemed real Strange and unusual things happen in my dreams Strange and unusual things happen in my life I was raised by an extremely superstitious mother who had prophetic dreams My head and heart are filled with memories of so many things in life that my parents told me I have so many memories of my siblings and the things I learned from them The days that I lived are gone forever The way things were will never be that way again These days will only be remembered by those who lived them or from the pages of the books written about those moments from the past Those days are gone forever Soon these memories will die with those who lived them That is why I have written twelve books full of the way life was in the 1940s up until the present day My mother used to tell me and my siblings stories of her past I wanted my children and grandchildren to know her stories as well as my own stories The next generation will have stories of their own to tell but life as my parents lived it and as I lived it will never be again When I explore my memories of the way things were I believe we were once better people than we are today As I get older I find that a lot of things no longer matter It does not matter to me who my relatives were or where they came from All that matters is that I was born and had the privilege of living the four seasons of my life in God's beautiful world Ultimately we are all God's children and brothers and sisters in Christ We are all connected through God My book is written in no particular order Each chapter is a stand alone story that can be read randomly just as it is written Each chapter is a piece of my life and heart I pray that my stories and ramblings will stoke memories and bring pleasure to anyone who reads them I am thankful for the people places and the events that make up the days of my life I am incredibly grateful for the life that God has allowed me to live

Searching for Daddy Christine

Joanna Hart, 2009-12-10 A horrifying story of a girl scarred by religious mania and childhood abuse who is driven to believe one of Britain's most infamous criminals was her father Christine's childhood was utterly desolate Starved of all love she was so consumed with loneliness and fear that she was drawn in to the world of a dangerous serial killer Christine was abandoned as a baby by her mother on the doorstep of a convent She was adopted but this only turned out to be the start of a new nightmare When she was 13 she was sent her back to the orphanage It was this act of betrayal that pushed her to breaking point Christine began a desperate quest for her real father but a twisted path of events finally took her face to face with Ian Brady the notorious Moors Murderer It was this extraordinary encounter that forced Christine to confront reality

and allowed her to reclaim her life Searching For Daddy is a shocking true story of desperate loneliness and phenomenal courage that will move and inspire anyone who reads it *Jim Reaper 1: Son of Grim* Rachel Delahaye, 2016-02-04 You might have heard how the universe began with the Big Bang Well the universe as Jim Wimple knows it is about to end With a Bazoom Not only are Bazoom scooters super fast and deadly cool but fierce and swoonsome older girl Fiona has just started riding hers to and from school and possibly out of Jim s life forever Disaster Jim Wimple needs a Bazoom and fast So he and his best friend Will devise a clever scheme which involves having to sneak into Dad s workplace But when the boys break into the Mallet Mullet accountancy office they find that the walls are lined with ancient portraits the staff are highly secretive and Jim s dad s office bears the sign G Reaper And then all hell really breaks loose What would YOU do if you thought your dad might be Death Illustrated with cool art by artist Jamie Littler *My Second Childhood* K. L. Smith, 2025-03-17 My Second Childhood is a collection of my random thoughts and memories I have lived through my first childhood and many years of being an adult Everything has seasons in the sun including us The spring summer and fall of my life have passed too quickly I am now living in the winter of my life or as some may call it my second childhood I consider it a blessing to have lived long enough to reach old age It is a gift that everyone does not receive I have released myself from the binding ties of doing what others think I should do I am no longer obligated to employers nor bonded by schedules I have turned the child in me loose to enjoy the last days of my life I am grateful that God has allowed me and my husband of nearly sixty years to enjoy our second childhood together I have time to sit for hours and reminisce and remember moments from my past I have time to analyze stories that were told to me by my ancestors about my family s history I wonder how much of the stories are true and complete Have there been parts of the stories omitted Relatives who have been disowned may not have been included in the accounts of the past We all have secrets and stories that we will never tell What secrets have not been told in these stories Are the stories altered or enhanced to make the past more glorified or sensational There are many questions that I wish I had asked my relatives while they were still alive The answers to these questions will probably go unanswered Over the years I have heard varying accounts of the same stories of our family s history from my younger ancestors Their stories are not congruent with the family history told to me from the lips of my ancestors Their stories do not track with the things that I myself experienced and observed in the presence of my long deceased relatives I was there in the flesh with some of these relatives I can still close my eyes and see them in my mind s eyes I can still hear their voices in my mind s ears I remember these relatives and what they were like In the pages of this book I have written stories about friends and relatives from my past and present I have written a partial accounting of my family s history according to how it was told to me and from my personal observations and experiences As I get older I find that a lot of things no longer matter It does not matter to me who my relatives were or where they came from All that matters is that I was born and had the privilege of living the four seasons of my life in God s beautiful world Ultimately we are all God s children and brothers and sisters in Christ We are all
