Criminal Conversation:

Elementary Principles of the Law of Pennsylvania Ruby Ross Vale, 1902 *The Law and Practice in Actions for Torts in the State of New York* James Newton Fiero, 1903 Feminism, Marriage, and the Law in Victorian England, 1850-1895 Mary Lyndon Shanley, 2020-07-21 Bridging the fields of political theory and history this comprehensive study of Victorian reforms in marriage law reshapes our understanding of the feminist movement of that period As Mary Shanley shows Victorian feminists argued that justice for women would not follow from public rights alone but required a fundamental transformation of the marriage relationship The Boundaries of Her Body Debra Rowland, 2004 Examines the legal status and rights of women in the United States throughout history The Ohio Law Journal , 1882 **The Southwestern Reporter** , 1919 Man and Wife in America Hendrik Hartog, 2002-05-30 In nineteenth century America the law insisted that marriage was a permanent relationship defined by the husband's authority and the wife's dependence Yet at the same time the law created the means to escape that relationship How was this possible And how did wives and husbands experience marriage within that legal regime These are the complexities that Hendrik Hartog plumbs in a study of the powers of law and its limits Exploring a century and a half of marriage through stories of struggle and conflict mined from case records Hartog shatters the myth of a golden age of stable marriage He describes the myriad ways the law shaped and defined marital relations and spousal identities and how individuals manipulated and reshaped the rules of the American states to fit their needs We witness a compelling cast of characters wives who attempted to leave abusive husbands women who manipulated their marital status for personal advantage accidental and intentional bigamists men who killed their wives lovers couples who insisted on divorce in a legal culture that denied them that right As we watch and listen to these men and women enmeshed in law and escaping from marriages we catch reflected images both of ourselves and our parents of our desires and our anxieties about marriage Hartog shows how our own conflicts and confusions about marital roles and identities are rooted in the history of marriage and the legal struggles that defined and transformed it **Reports of Cases Decided in the Supreme Court of the State of Oregon** Oregon. Supreme Court, 1927 Reports of Cases Decided in the Appellate Courts of the State of Illinois Illinois. Appellate Court, Edwin Burritt Smith, Martin L. Newell, 1894 **Reports of Cases Determined by the Supreme Court of the State of Nevada** Nevada. Supreme Court, 1916
