

Let's play the grammar game

1. Print and cut out the verb cards.
2. You will find two sets available: four copies of each category card, and four examples of each category.
3. This game can be played in pairs or in groups.
4. Place all of the cards face down and instruct the players to take turns revealing two cards.
5. Each time they find a match, both cards can stay face up. Unmatched cards should be placed back face down.

Want to add an extra element?
Players keep their matching pairs and count them once the game ends. The player with the most pairs wins!
