relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other **Michigan School Moderator** ,1897
