Colossians Philemon Volume 44 Word Biblical Commentary:

Colossians-Philemon, Volume 44 Peter O'Brien, 2014-12-23 WBC series delivers the best in biblical scholarship from the leading scholars who share a commitment to Scripture as divine revelation. It emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology.

Emmaus Bible Resources Christ Our Life David Day, 2003 The letter to the Colossians was written to a church dominated by powerful forces and alternative spiritualities. It is thus remarkably relevant to our day. Paul's theme is no less relevant: Christ will have first place in everything. David Day's book encourages us to consider how to give Christ pre-eminence in every area of our lives, both personal and corporate. The Emmaus Bible Resources series offers readers the opportunity to dig deeper into the Bible and grow in Christian life, faith, and service. Finding a middle ground between daily Bible notes and weighty commentaries, the series contains versatile material designed for use by individuals, small groups, or as part of a sermon series.

Chronological and Background Charts of the New Testament H. Wayne House, 2019-01-15 Approach the New Testament with confidence. Chronological and Background Charts of the New Testament will help students organize and synthesize the vast amount of biblical and extrabiblical information on the New Testament by providing a helpful visual overview of the data, chronology, historical background, and criticism. This format allows facts, relationships, parallels, and contrasts to be grasped quickly and easily. Perfect for enhancing every type of teaching and learning situation and style, including homeschooling, curricula, and tutoring, church classes, and Sunday school. The 90 charts in this updated, expanded edition are divided into four broad categories: General material for reading and understanding the New Testament; Backgrounds to the New Testament, such as historical and cultural settings, The Gospels, information on their authors, differences, audiences, etc.; The apostolic age; chronology, theology, history, interpretations, etc. These charts cover a wide range of topics, from basic information to extrabiblical data, such as The Roman Military System, Rabbinic Writings, and The Five Gospels of the Jesus Seminar. Zondervan Charts are ready references for those who need the essential information at their fingertips. Accessible and highly useful, the books in this library offer clear organization and thorough summaries of issues, subjects, and topics that are key for Christian students and learners. The visuals and captions will cater to any teaching methodology, style, or program.

Teaching Them Obedience in All Things Edgar J. Elliston, 1999 The seventh installment in the EMS series provides presentations originally given at meetings held in November 1998. Topics include the biblical and missiological foundations for training evangelical pastors and missionaries; contextualization of curriculum; Christian higher education; and case studies in both postmodern settings as well as traditional ones.

The Image of God: Lost and Recreated Otis Gouty, 2019-09-27 This is a book that demonstrates how a person can get the image of God. Adam and Eve were created in the image of God but lost it. They were given freedom of choice. Unfortunately, they rejected God and chose the way of Satan, which has been passed on to all of us down through the

centuries from parent to child The Bible is accepted as truth Every step of the way taken here is documented by the Bible Scientific discoveries are introduced to form a basis for understanding and to compliment biblical references Children born after Seth were born in the evil image of Adam and Eve God was so deeply grieved by the evil intentions of Seth s descendants that he sent the flood to destroy all of mankind Noah was favored by God but even so he was still of the lineage of Seth The Old Testament is filled with the sinful acts of God s chosen children but the faithful unchanging God had a plan which He brought to pass in the person of Jesus This book provides a penetrating and dramatic picture of how God has implemented His plan to the present time

God and Abstract Objects William Lane Craig,2017-09-05 This book is an exploration and defense of the coherence of classical theism s doctrine of divine aseity in the face of the challenge posed by Platonism with respect to abstract objects A synoptic work in analytic philosophy of religion the book engages discussions in philosophy of mathematics philosophy of language metaphysics and metaontology It addresses absolute creationism non Platonic realism fictionalism neutralism and alternative logics and semantics among other topics The book offers a helpful taxonomy of the wide range of options available to the classical theist for dealing with the challenge of Platonism It probes in detail the diverse views on the reality of abstract objects and their compatibility with classical theism It contains a most thorough discussion rooted in careful exegesis of the biblical and patristic basis of the doctrine of divine aseity Finally it challenges the influential Quinean metaontological theses concerning the way in which we make ontological commitments

The Trouble with "Truth through Personality" Charles W. Fuller,2010-04-05 In an era when the cult of personality has overtaken the task of preaching Charles W Fuller offers an engaging query into the necessary boundaries between the person of the preacher and the message preached By thoroughly evaluating Phillips Brooks s classic truth through personality definition of preaching Fuller brings to light a substantial error that remains in contemporary homiletics namely the tenuous correlation between Christ s incarnation and Christian preaching Ultimately Fuller asserts a sound evangelical framework for preaching on revelational ontological rhetorical and teleological grounds Preachers who desire to construct pulpit practice upon a robust evangelical foundation will benefit from Fuller s contribution

The Colossian and Ephesian Haustafeln in Theological Context James P. Hering,2007 In this groundbreaking study James P Hering investigates the theological and ethical motivation that informs the controversial New Testament household codes Haustafeln found in the epistles to the Colossians 3 18 4 1 and Ephesians 5 22 6 9 Within most New Testament scholarship the household code has been regarded as an imported element within its host letter reflecting either pagan or embarrassingly sub Christian values Is the household code merely a nod to the pragmatic demands of culture or can it be understood as a reflection of the author s theological concerns What can it teach us today Hering provides a unique analysis of these passages revealing the Haustafeln in their historical context and examining their theological roots This book is of vital importance for courses on Christian ethics and New Testament backgrounds

Establishing Boundaries F. j. e. Boddens Hosang,2010 Council texts from the

eastern and western Mediterranean allow us to see how close relations were between Christians and Jews in late antiquity. These texts give precise descriptions of the continuing close relations between the ordinary faithful Christians and Jews on a daily basis. God's New Humanity David E. Stevens, 2012-02-08 I pray that all of them may be one Father just as you are in me and I am in you. May they be brought to complete unity to let the world know that you sent me Jesus Christ. What if? What if believers of multiple ethnicities manifested the diversity in unity for which Jesus prayed? What if largely separate homogeneous congregations which account for nearly 92.5 percent of all churches in the United States increasingly became connected multiethnic congregations? What if at eleven o'clock on Sunday mornings or whenever believers gather to worship local congregations were comprised of believing whites, African Americans, Koreans, Hispanics, Romanians, Native Americans as well as the diverse mosaic of other ethnicities represented in our increasingly multicultural society? Would this not say something about the supernatural character of the gospel of reconciliation we proclaim? Jesus believed it would. That is why after praying for such diversity in unity among his followers, Jesus Christ the Man for all nations extended his arms and laid down his life to make it happen. This book God's New Humanity examines the biblical theological vision and motivation for living in response to Jesus' prayer.
