Dialectical Conversions David Craven, Brian Winkenweder, 2011-01-01 Few art critics in Western history have had the lasting international impact of philosopher and psychoanalyst Donald Kuspit A student of Theodor Adorno Kuspit introduced in the 1970s a new type of philosophical art criticism drawing on critical theory phenomenology and psychoanalysis Dense and demanding yet deft and incisive this multifaceted art criticism has gained world renown for reasons that critics art historians and philosophers from around the world explain here The first book about one of the most distinguished art critics in history Dialectical Conversions is a searching survey of Kuspit s role in triggering several historic shifts within art criticism

Liverpool University Press Autumn 2010 Catalogue , The Routledge Companion to Marxisms in Art History Tijen Tunali, Brian Winkenweder, 2025-03-31 This companion is an essential contribution to the study of historical materialism in general and the social history of art in particular Each chapter in the collection focuses on a key figure concept or historical epoch Increasingly scholars adopt an array of Marxist methods intertwined with a host of other theoretical practices particularly the historiography of key issues regarding hegemony ideology and identity Ideological issues of connoisseurship patronage and analyses of the artwork as a form of labor and leisure are essential to the practice of Marxisms in art history This collection spotlights a plurality of Marxian theories in which the ideas of such figures as Walter Benjamin Guy Debord and T J Clark are debated and developed through analyses of the socio historical conditions that impact how art is produced circulated and received This ultimately underscores that the historical contextualization of artworks and their markets within a class based society is crucial for writing socially engaged art history This book will be of interest to scholars working in art history visual studies visual sociology communication studies and the sociology of art Dialectical Conversions David Craven, Brian Winkenweder, 2013-08-15 Few art critics in Western art history have ever had the broad ranging impact over several decades of Donald Kuspit a philosopher and psychoanalyst who from 1970 until the present has been a commanding figure on the international stage A student of German thinker Theodor Adorno under whom he earned the first of his three doctorates Kuspit introduced a new type of philosophical art criticism into the art world He drew on both phenomenology and Critical Theory before he then increasingly adopted psychoanalysis Since Kuspit himself has always measured his own place in the history of art criticism by how rigorously he engages with competing approaches this book is a searching survey of Kuspit s role in triggering several historic shifts within art criticism beginning with his now legendary 1974 article in *Artforum* A Phenomenological Approach to Artistic Intention Dense and demanding yet deft and incisive Kuspit s multifaceted art criticism has become world famous for reasons that artists critics art historians and philosophers from at least ten different nations explain from various points of view Divided into three parts and introduced by a lengthy introduction the book features comments by recognized artists like Rudolf Baranik Anselm Kiefer and April Gornik as well as critical commentaries by many scholars and critics from around the world on the richness of Kuspit s insights into art Reuse

Value Richard Brilliant, Dale Kinney, 2016-04-08 This book offers a range of views on spolia and appropriation in art and architecture from fourth century Rome to the late twentieth century Using case studies from different historical moments and cultures contributors test the limits of spolia as a critical category and seek to define its specific character in relation to other forms of artistic appropriation Several authors explore the ethical issues raised by spoliation and their implications for the evaluation and interpretation of new work made with spolia The contemporary fascination with spolia is part of a larger cultural preoccupation with reuse recycling appropriation and re presentation in the Western world All of these practices speak to a desire to make use of pre existing artifacts objects images expressions for contemporary purposes Several essays in this volume focus on the distinction between spolia and other forms of reused objects While some authors prefer to elide such distinctions others insist that spolia entail some form of taking often violent and a diminution of the source from which they are removed The book opens with an essay by the scholar most responsible for the popularity of spolia studies in the later twentieth century Arnold Esch whose seminal article *Spolien* was published in 1969 Subsequent essays treat late Roman antiquity the Eastern Mediterranean and the Western Middle Ages medieval and modern attitudes to spolia in Southern Asia the Italian Renaissance the European Enlightenment modern America and contemporary architecture and visual culture *The Dialectic of Decadence* Donald Burton Kuspit, 1993
