Dialogues Concerning Natural Religion Hume Library Of Liberal Arts

Stewart Elliott Guthrie

Dialogues Concerning Natural Religion Hume Library Of Liberal Arts:

Hume's Dialogues Concerning Natural Religion Kenneth Williford, 2023-10-31 David Hume's *Dialogues Concerning Natural Religion* is a philosophical and literary classic of the highest order. It is also an extremely relevant work because of its engagement with issues as alive today as in Hume's time: the Design Argument for a deity, the Problem of Evil, the dangers of superstition and fanaticism, the psychological roots and social consequences of religion. In this outstanding and unorthodox collection, an international team of scholars engage with Hume's classic work. The chapters include state-of-the-art contributions on the central interpretive questions posed by the *Dialogues*, as well as major contributions relating the work to contemporary issues in Philosophy of Religion, Philosophy of Science, Moral Psychology, and Social Philosophy. Additional contributions tackle the historical and philosophical background of the *Dialogues*, relating it to Hume's own systematic philosophy, to the work of other key seventeenth and eighteenth-century figures (Locke, Clarke, Bayle, Cudworth, Malebranche, Spinoza, Lord Bolingbroke, and Voltaire, among others), to early modern neo-Epicureanism in the life sciences, and notably to what Darwin missed by thinking too much like William Paley and not enough like Hume's Philo. Overall, this volume provides fresh and even groundbreaking perspectives on Hume's *Dialogues Concerning Natural Religion*. It is essential reading for students and scholars of Hume, the History of Modern Philosophy, Philosophy of Religion, and the History and Philosophy of Science.

Hume's 'Dialogues Concerning Natural Religion' Andrew Pyle, 2006-11-09 Hume's *Dialogues* provide a classic exposition and critique of the famous Argument to Design, the attempt to prove the existence and properties of a designing intelligence or God from the phenomena of Nature, notably the functional contrivance of the parts of plants and animals. As such, it raises questions of central interest in both philosophy and theology. This is a hugely important and exciting yet challenging piece of philosophical writing. In *Hume's Dialogues Concerning Natural Religion: A Reader's Guide*, Andrew Pyle explains the philosophical and theological background against which the book was written, including what is meant by natural religion. He goes on to address the question of why Hume chose to write in dialogue form, sketches out the views of the three characters, and introduces the questions they address. The book then takes the 12 parts of the *Dialogues* in turn and guides the reader to a clear understanding of the text as a whole. This is the ideal companion to study of this most influential and challenging of texts.

Scepticism and Belief in Hume's Dialogues Concerning Natural Religion S. Tweyman, 2012-12-06 In the pages that follow, an attempt is made to examine those sections of the *Dialogues Concerning Natural Religion* which deal with the Argument from Design, the argument which purports to prove that certain observed similarities between the design of the world and machines of human contrivance countenance reasoning by analogy to the conclusion that the cause of the design of the world resembles human intelligence. The sections which deal with the Argument from Design and with which I am therefore concerned are Parts I through VIII and Part XII. I argue that a clue to Hume's discussion of the Argument from Design is to be found in Section XII of the first Enquiry, in which Hume presents his most thorough analysis of philosophic

dogmatism and scepticism The Dialogues as will be shown follows precisely Hume s recommendations in this Section for bringing the dogmatist to the position which Hume himself endorses mitigated scepticism It is then the position of the mitigated sceptic which is elaborated in Part XII of the Dialogues The belief in an intelligent designer of the world is shown to be akin to certain other beliefs discussed by Hume causality physical objects a continuing self which are usually referred to in the literature as natural beliefs The mitigated sceptic s defense of the unknowability of the divine nature is seen to be in accordance with Hume s view that whatever is believed naturally cannot be known or understood

Faces in the Clouds

Stewart Elliott Guthrie,1995-04-06 Religion is universal human culture No phenomenon is more widely shared or more intensely studied yet there is no agreement on what religion is Now in Faces in the Clouds anthropologist Stewart Guthrie provides a provocative definition of religion in a bold and persuasive new theory Guthrie says religion can best be understood as systematic anthropomorphism that is the attribution of human characteristics to nonhuman things and events Many writers see anthropomorphism as common or even universal in religion but few think it is central To Guthrie however it is fundamental Religion he writes consists of seeing the world as humanlike As Guthrie shows people find a wide range of humanlike beings plausible Gods spirits abominable snowmen HAL the computer Chiquita Banana We find messages in random events such as earthquakes weather and traffic accidents We say a fire rages a storm wreaks vengeance and waters lie still Guthrie says that our tendency to find human characteristics in the nonhuman world stems from a deep seated perceptual strategy in the face of pervasive if mostly unconscious uncertainty about what we see we bet on the most meaningful interpretation we can If we are in the woods and see a dark shape that might be a bear or a boulder for example it is good policy to think it is a bear If we are mistaken we lose little and if we are right we gain much So Guthrie writes in scanning the world we always look for what most concerns us livings things and especially human ones Even animals watch for human attributes as when birds avoid scarecrows In short we all follow the principle better safe than sorry Marshalling a wealth of evidence from anthropology cognitive science philosophy theology advertising literature art and animal behavior Guthrie offers a fascinating array of examples to show how this perceptual strategy pervades secular life and how it characterizes religious experience Challenging the very foundations of religion Faces in the Clouds forces us to take a new look at this fundamental element of human life

Hume's Minimal Theism and the Supervised Christian Church

Péter Hartl,2024-06-05 In this book Péter Hartl offers a novel and comprehensive interpretation of David Hume s philosophy of religion focusing on various notions of true religion in Hume s overall philosophy and how these ideas relate to various early modern positions on religion society and philosophy The account consists of both critical and positive parts of Hume s overall nuanced position on theoretical social and political aspects of religion and the philosophical criticism of religion Hartl criticises the atheist and completely negative readings of Hume s philosophy of religion Instead of presenting Hume s position as either a radical secularist or closet atheist Hartl s interpretation builds on the underdeveloped positive and

constructive parts of Hume's account of true religion. For Hume on the one hand true religion is compatible with or even vindicates minimal theism and it forms part of philosophy exemplifying intellectual virtues. On the other hand Hume has a pragmatic stance on the role of religion in society according to which the government should control religious institutions to reduce the power of church authorities but to retain some positive social effects of religion.

Myth and Philosophy Frank E. Reynolds, David Tracy, 1990-10-30 The book as a whole seeks to reinvigorate an academic discipline philosophy of religion which has fallen on hard times and to do so by building a bridge between philosophy and empirical historical studies of religion. The topic is both significant and timely. Too long the empiricists have been inadequately sophisticated philosophically and too long the philosophers have ignored historical data both in its breadth and depth. In not only calling for bridges between these disciplines but actually building some the work makes a significant contribution to both.

Alan Miller This book is useful because it provides some insights both into the ways scholars think about various aspects of religious behavior and also information about important features of such behavior. Both myth and philosophy are topics of great significance and have been discussed by many philosophers and historians of religions and some anthropologists. An interesting set of questions about the nature of religion and nature of philosophy and their relationships and also about the nature of myth and its relationship to philosophy is emerging at the forefront of academic discussions in departments of religion departments of philosophy and departments of anthropology. It contains some well written and conceptually interesting essays.

E. Thomas Lawson

Mind and Emergence Philip Clayton, 2004-10-29 Strong claims have been made for emergence as a new paradigm for understanding science consciousness and religion. Tracing the past history and current definitions of the concept Clayton assesses the case for emergent phenomena in the natural world and their significance for philosophy and theology. Complex emergent phenomena require irreducible levels of explanation in physics chemistry and biology. This pattern of emergence suggests a new approach to the problem of consciousness which is neither reducible to brain states nor proof of a mental substance or soul. Although emergence does not entail classical theism it is compatible with a variety of religious positions. Clayton concludes with a defence of emergentist panentheism and a Christian constructive theology consistent with the new sciences of emergence.

Theory and Practice in the Philosophy of David Hume James Wiley, 2012-07-31 An original interpretation of Hume's philosophy as centered on the relationship between theory and practice. The author argues that Hume's *Essays* and *History* represent a humanist practical philosophy derived from the speculative philosophy of *A Treatise of Human Nature* and the *Enquiries*.

The Rationality of Theism Paul Copan, Paul Moser, 2004-07-31 *The Rationality of Theism* is a controversial collection of brand new papers by thirteen outstanding philosophers and scholars. Its aim is to offer comprehensive theistic replies to the traditional arguments against the existence of God offering a positive case for theism as well as rebuttals of recent influential criticisms of theism.

The Concept of Prayer (Routledge Revivals) D. Z. Phillips, 2014-02-04 Many contemporary philosophers assume that before one can discuss

prayer the question of whether there is a God or not must be settled In this title first published in 1965 D Z Phillips argues that to understand prayer is to understand what is meant by the reality of God Beginning by placing the problem of prayer within a philosophical context Phillips goes on to discuss such topics as prayer and the concept of talking prayer and dependence superstition and the concept of community This is a fascinating reissue that will be of particular value to students with an interest in the philosophy of religion prayer and religious studies more generally

Dialogues Concerning Natural Religion Hume Library Of Liberal Arts Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Dialogues Concerning Natural Religion Hume Library Of Liberal Arts PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Dialogues Concerning Natural Religion Hume Library

Of Liberal Arts PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Dialogues Concerning Natural Religion Hume Library Of Liberal Arts free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Dialogues Concerning Natural Religion Hume Library Of Liberal Arts Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Dialogues Concerning Natural Religion Hume Library Of Liberal Arts is one of the best book in our library for free trial. We provide copy of Dialogues Concerning Natural Religion Hume Library Of Liberal Arts in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Dialogues Concerning Natural Religion Hume Library Of Liberal Arts. Where to download Dialogues Concerning Natural Religion Hume Library Of Liberal Arts online for free? Are you looking for Dialogues Concerning Natural Religion Hume Library Of Liberal Arts PDF? This is definitely going to save you time and cash in something you should think about.
