Dialogues Conversations With My Higher Self:

Dialogues Kenneth James Michael MacLean, 2005-02 Dialogue was written after reading Seth the Conversations with God books Edgar Cayce Kryon and listening to Esther Hicks The very deepest questions concerning the origin of the universe time and consciousness were never answered to my satisfaction So I decided to ask them Astonishingly just like Neale Donald Walsch I too began to receive answers These answers came almost instantaneously in what I call a packet These packets were like information on a data network except that they were always accompanied by a feeling of profound certainty and well being I might have to spend 20 or 30 minutes deciphering the information in these packets and typing the out Then I d read them over and sometimes ai couldn t believe what I had written This book contains answers to questions like What is the origin of the universe What is consciousness What is the Higher Self What is Memory What is Time as well as answers to questions of politics sex the law of attraction and crop circles The Complete Being Tami Brady, 2006-01-01 The Complete Being Finding and Loving the Real You will help you realize your own hopes and dreams This book contains the wealth of my own personal journey to contentment in easy to adapt exercises that you can use to identify and strive towards your own life ambitions You will regain control of your own destiny by applying these simple yet thought provoking exercises in the mental spiritual emotional and physical aspects of your life *What Do You Do...When All Hell Breaks Loose?* Kenneth MacLean, 2009-04 Have you ever made a resolution to improve and then just the opposite happened It makes a mockery of the idea that you create your own reality does it not There is a perfectly understandable reason for this however Once you understand why things go wrong you can not only extricate yourself from problems but avoid future problems Find out how to overcome life s roadblocks and gain more positive control over your life with this book Acclaim for MacLean s What Do You Do I really enjoyed What Do You Do When All Hell Breaks Loose I have rarely received a work of your caliber The topic of your book is near and dear to my heart Carmen Black www Creator Miracles com Your eBook What Do You Do When All Hell Breaks Loose was the 1 download again last week on Authors Access com You should let me make this into a printed book Victor R Volkman publisher LHPress com For more information visit <http://www.kjmaclean.com> *Authors Access* Irene Watson, Tyler R.
