Diamond Social Guide 10th 2013:

Encyclopedia of Information Science and Technology, Third Edition Khosrow-Pour, D.B.A., Mehdi, 2014-07-31 This 10 volume compilation of authoritative research based articles contributed by thousands of researchers and experts from all over the world emphasized modern issues and the presentation of potential opportunities prospective solutions and future directions in the field of information science and technology Provided by publisher *Social Media and Living Well* Berrin A. Beasley, Mitchell R. Haney, 2015-02-05 What is well being Is it a stable income comfortable home and time shared with family and friends Is it clean drinking water and freedom from political oppression Is it finding Aristotle s Golden Mean by living a life of reason and moderation Scholars have sought to define well being for centuries teasing out nuances among Aristotle s writings and posing new theories of their own With each major technological shift this question of well being arises with new purpose spurring scholars to re examine the challenge of living the good life in light of significantly altered conditions Social media comprise the latest technological shift and in this book leading scholars in the philosophy and communication disciplines bring together their knowledge and expertise in an attempt to define what well being means in this perpetually connected environment From its blog prototype in the mid to late 2000s to its microblogging reality of today users have been both invigorated and perplexed by social media s seemingly near instant propagation Platforms such as Facebook Twitter YouTube Instagram and LinkedIn have been hailed as everything from revolutionary to personally and societally destructive In an exploration of the role social media play in affecting well being whether among individuals or society as a whole this book offers something unique among academic tomes an opening essay by an executive in the social media industry who shares his observations of the ways in which social communication conventions have changed since the introduction of social media His essay is followed by an interdisciplinary academic exploration of the potential contributions and detractions of social media to well being Authors investigate social media s potential influence on friendship and on individuals physical emotional social economic and political needs They consider the morality of online deception how memes and the very structure of the internet inhibit rational social discourse and how social media facilitate our living a very public life whether through consent or coercion Social media networks serve as gathering places for the exchange of information inspiration and support but whether these exchanges are helpful or harmful to well being is a question whose answer is necessary to living a good life *Opportunities and Pitfalls of Corporate Social Responsibility* Shame Mugova, Paul R. Sachs, 2019-05-30 This book addresses key aspects of corporate social responsibility CSR and explores them from a variety of perspectives in a case study on the Marange diamond mines in Zimbabwe The business case of the Marange mines is presented to demonstrate the challenge of practicing social responsibility while considering and balancing the needs of a developing nation environmental protection community involvement and international business Lessons learned from the case study will help business leaders and strategists in developing countries and multinational corporations to better understand and employ CSR principles so as

to enhance sustainability and social impact Further the book provides a unique combination of academic industrial and local approaches *Electronic Commerce* Efraim Turban,David King,Jae Kyu Lee,Ting-Peng Liang,Deborrah C.
