DellaVecchia, 2012-08-01 This family cookbook morphed into much more for me during the writing process It began by contacting friends and family to collect recipes for what I thought would be a simple process During those conversations and with my own memories a flood of personal history evolved in my mind What began as a repository of food recipes became much more to me and I decided to collect the process in the form of this book *The Diary of a Mad Chef* to also include photos of those people and selected short stories Food has always been the center of our familys common narrative thread and I attempted to place the face and the stories of my friends and family with the recipes as I remember them Along with the feedback and photos from my friends and family it became a two year long effort to compile edit and publish this book The journey has been a magnificent experience for me and I am grateful to have had the time and opportunity to write this book

Stephanie McAfee, 2013-07-02 New York Times bestselling author Stephanie McAfee delivers another irreverent laugh out loud page turner about the mis adventures of plus size spitfire Graciela Ace Jones With her fianc now her ex fianc Ace has

hightailed it back to Bugtussle Mississippi and back to her Gramma Jones's house. Her best friends Lilly and Chloe are delighted she's back but Ace still has some challenges ahead of her. For one thing her replacement as Bugtussle High School's art teacher Cameron Becker refuses to vacate the position. So Ace is stuck working as a substitute teacher while harboring fantasies of running Miss Becker out of town. On top of that Lilly and Chloe are obsessed with setting her up on less than romantic blind dates even though all she wants is a break from her pitiful love life. To ease her troubled mind Ace resolves to restore her grandmother's gardens to their former glory. But in the well worn gardening book she's dug out of her grandmother's attic there are a series of suspicious notes that indicate her grandmother may have had a special someone in her past. Now with her faithful chiweenie Buster Loo by her side Ace is determined to get to the bottom of her grandmother's secret life all the while hoping her own life isn't about to implode. *Happily Ever Madder* Stephanie McAfee, 2012-11-06

Diary of a Mad Fat Girl's plus sized spitfire Graciela Ace Jones returns in a hilarious new adventure from New York Times bestselling author Stephanie McAfee. Ace has left the tiny Mississippi town of Bugtussle for the palm fronds and mojitos of Pelican Cove Florida. She's finally opening her long dreamed of art gallery is kick starting a life with her fianc Mason and has vowed to leave her straight talking sassy ways behind her. From now on she's going to be as sweet as sugar. Unfortunately something comes along to sour her plans. That something is Mrs Lenore Kennashaw and her coterie of crones. They're a bunch of snippy snarky and just plain mean ol ladies who aren't quite as smart or rich as they'd like to think they are. But that doesn't stop them from treating everyone else like second class citizens. And when Ace inadvertently takes some of the steam from Mrs Kennashaw's stride she becomes their #1 enemy. But with the support of a new group of fabulous friends as well as her friends from Bugtussle and her always faithful chiweenie Buster Loo Ace will find a way to make it even if she has to throw some weight around. **Ace Jones** Stephanie McAfee, 2013-06-04

A Novella of Bugtussle Mississippi. Back in Bugtussle Mississippi after her relationship with her ex fianc has fallen apart Ace Jones is naturally depressed. What's worse is that every time she leaves the house she winds up in some kind of altercation. She can't help but wonder if she's an idiot magnet or if she's the smart mouth stirring things up. Hoping for a little peace of mind Ace gives in to the advice of her best friend and goes to see a therapist. But she quickly discovers that the road to nirvana isn't what it's cracked up to be. And as Ace goes from one therapeutic misadventure to another the plus sized spitfire becomes more determined than ever to find enlightenment even if it means bending herself into a pretzel to do it.
