Diary of a Zombie Villager Mark Mulle, 2017-11-21 **GENRE:** Children's Adventure. An unofficial Minecraft book for kids, ages 9-12. Preteen Book 2. In search of the zombie community. I thought I'd learn how to be a zombie fast and promptly without any complications. I was wrong. I couldn't believe that there are so many creatures that would purposely or not make my zombie lessons more difficult. The villagers, for one, are indeed unpredictable. They are trying to track us. My zombie friend Chopper and I down and I overheard the villager talking about using potions on me. We aren't that fast, but we know a couple of tricks on how to hide well. We are still in search of the zombie community where we could be safe. We have lost Thor and the rest of the zombie crew that was supposed to show us the way. Join us on our journey as we find the rest of our friends and travel to the zombie community without running into the villagers.

Book 3: Zombie or Villager? It seems like we are always on the run. Villagers gave themselves every right to chase anything and everything and even throwing things at us. There are some potions involved, too. I know those bottles; they are carrying potions because I used to be a villager and as I am learning how to zombie, I still remember some practical things from my life as a villager. The villagers are right behind us and I can see a bottle flying towards me. I wonder what the potion is for Chopper, Thor, Barnaby, and I are trying to find the rest of our company, also trying to end our journey by determining whether we are tricked into thinking that there was such thing as a zombie community where we could be safe and live in peace. Whoa, I got to go. I can hear the villagers coming.
