An Unofficial Minecraft Book for Kids Ages 9-12. Preteen. I know what everyone in the world of blocks thinks of Bats: we are harmless and useless. The first one is a definite truth and the second is a painful fact I've learned about my kind. It's not very pleasant to be neutral, you know. You start feeling invisible and before you know it, you want things to change. The same thing goes for me: my name is Rocky and I am starting this diary so I could document the journey of Bats' reputation being changed for good. Yes, my kind does nothing but to chat and hang from ceilings of dark caves and mines, but I won't let that stop me from changing myself and my own fate. My best friends Robo and Mike did try, however. Follow me as I try to change my fate and the way mobs see Bats. I won't settle for being neutral and useless. Would you?
