Diary Of A Stalker Urban S:

Diary of a Stalker Electa Rome Parks, 2012-01-01 Electa Rome Parks paints a powerful portrait of a crazed fan who can't seem to close the book on the affair after a one night stand with a famous author and who will stop at nothing to make him hers Even if that means killing him Bestselling author Xavier Preston is used to women throwing themselves at him On top of being a successful writer he's also tall dark and sexy as sin He's always relished the attention in fact and is ever willing to entertain the erotic urges of women wanting to get between more than the covers of his novels Except once he meets Kendall he decides it's time to put his womanizing ways behind him and devote himself to her entirely Well almost Gorgeous Pilar is the last decadent treat Xavier decides he'll help himself to thinking they are both on the same no strings page Except behind Pilar's fine facade beats the heart of a raving maniac a fatally attracted fan addicted to the kind of hot loving only Xavier can give her And she's not about to let him get away from her so easily So what starts out as a discreet dalliance soon spirals into a deadly game of obsession and pain which can only have one winner

Urban Flashes Asia Nicholas Boyarsky, Peter Lang, 2003-11-07 Urban Flashes Asia from Wiley's Architectural Design series is a bold conceptual and architectural response to Eurocentric research in architecture It introduces a network of globally dispersed architects and theorists working primarily in Asia The contributors of Urban Flashes Asia are a globally active body that is fast developing a rapidly evolving language of urban imagination and invention This is a new and intriguing version of events which is in step with the nature of urban developments in Asia as much of the region continues to come alive The latest in Wiley's Architectural Design series Featuring articles and projects inside and beyond Asia it also includes interviews with Kazuo Shinohara and Nobuyuki Furuya and a Practice Profile of the Chinese architect Yung Ho Chang All participants are leading architects theorists in their own countries and this publication will introduce for the first time a number of key players and their work Unique photo essays together with a vast body of architectural and art projects makes this a visual and exciting publication The first comprehensive publication on the Urban Flashes Group this book should be of interest to architects artists and urban designers

Walking in the European City Timothy Shortell, Evrick Brown, 2016-02-24 Sociologists have long noted that dynamism is an essential part of the urban way of life However walking as a significant social activity and crucial research method in spite of its ubiquity as part of urban life has often been overlooked This volume considers walking in the city from a variety of perspectives in a variety of places and with a variety of methods to engage with the question of how walking can contribute to the sociological imagination and reveal sociological knowledge Bringing together new research on sites across Europe Walking in the European City addresses the nature of everyday mobility in contemporary urban settings shedding light not only on the ways in which walking relates to other social institutions and practices but also as a method for studying urban life With attention to intersections of race and ethnicity gender and class as well as the manner in which processes of gentrification transform urban space this book examines questions of access to public places exploring the ways in which

urban dwellers use of and relation to neighbourhood spaces are shaped by inequalities of status and power As such it will appeal to scholars of sociology geography and anthropology with interests in urban studies mobility and research methods
