Did You Ever See Hitler:

Did You Ever See Hitler? ,1975-01-01 **Hitler's Face** Claudia Schmolders,2006 In *Hitler's Face* Claudia Schmolders reverses the normal protocol of biography instead of using visual representations as illustrations of a life she takes visuality as her point of departure to track Adolf Hitler from his first arrival in Munich as a nattily dressed young man to his end in a Berlin bunker and beyond Perhaps never before had the image of a political leader been so carefully engineered and manipulated so broadly disseminated as was Hitler's in a new age of mechanical reproduction There are no extant photographs of him visiting a concentration camp or standing next to a corpse or even with a gun in his hand If contemporary caricatures spoke to the calamitous thoughts projects and actions of the man officially sanctioned photographs paintings sculptures and film overwhelmingly projected him as an impassioned orator or heroically isolated figure Schmolders demonstrates how the adulation of Hitler's face stands at the conjunction of one line stretching back to the eighteenth century belief that character could be read in the contours of the head and another dating back to the late nineteenth century quest to sanctify German greatness in a gallery of national heroes In Nazi ideology nationalism was conjoined to a forceful belief in the determinative power of physiognomy The mad veneration of the idealized German face in all its various aspects and the fanatical devotion to Hitler's face in particular was but one component of a project that also encouraged the ceaseless contemplation of supposedly degenerate Jewish physical traits to advance its goals **Hitler's Bureaucrats** Yaacov Lozowick,2010-07-15 For many the name of Adolf Eichmann is synonymous with the Nazi murder of six million Jews As a perpetrator of the Final Solution he stands alongside Adolf Hitler and Heinrich Himmler as one of history's most notorious murderers yet ever since Hannah Arendt's seminal book *Eichmann in Jerusalem A Report on the Banality of Evil* there has been disagreement about the essence of Eichmann and by extension about the definition of evil action Was he a human monster or a petty bureaucrat To what degree did the totalitarian organization to which he belonged absolve him and his staff from individual choice and responsibility for atrocities This title looks at the words and actions of Eichmann and the bureaucrats he worked with in Berlin and throughout the more significant Gestapo offices in Western Europe It claims that Hannah Arendt's thesis about the banality of evil was wrong In chilling detail it presents a group of people completely aware of what they were doing people with high ideological motivation people of initiative and dexterity who contributed far beyond what was necessary While most of these bureaucrats sat behind desks rather than behind machine guns there was nothing banal about the role they played in the destruction of European Jewry **The SS on Trial** Bob Carruthers,2014-02-24 An Emmy Award winning author reveals the complete testimony of the most infamous war crimes trials in human history following WWII includes photographs After the defeat of Nazi Germany the Nuremberg Trials were conducted by the four victorious Allied forces of Great Britain the United States France and the Soviet Union They were held in the Palace of Justice Nuremberg Germany from November 1945 to October 1946 Famous for prosecuting the major German war criminals they

also tried the various groups and organizations that were at the heart of Nazi Germany Part of the illustrated series The Third Reich from Original Sources The SS on Trial presents the complete testimony from the hearings including the original indictment the criminal case put forward for the SS the closing speeches by the prosecution and defense and the final judgment Former SS members often wondered why they were charged as war criminals when they merely performed their normal duty The Military Tribunal at Nuremberg attempted to answer that question The witnesses called include Friedrich Karl von Eberstein an early member of the Nazi Party the SA and the SS Paul Hausser one of the most eminent leaders of the Waffen SS who vehemently defended their military role in the war Georg Konrad Morgen a former SS judge and Wolfram Sievers the Reich manager of the Ahnenerbe Featuring forty photographs and charts this indispensable volume explores how the actions of Nazi soldiers challenged humanity's notions of criminality and global justice

Hitler's Secret Book Lin Xun, Micky Barnetti, Aunt Jemima, Many secrets revealed about Adolf Hitler including 1 NEW HITLER DISCOVERY Hitler renamed his political party from DAP to NSDAP National Socialist German Workers Party because he needed the word Socialist in his party's name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party's emblem The party's name had to fit in Hitler's socialist branding campaign that used the swastika and many other similar alphabetical symbols including the SS and SA and NSV and VW etc He was selling socialism by selling flags and related merchandise of Francis Bellamy The new discovery part is that the public doesn't know that Hitler's use of the swastika as alphabetical symbolism is a reason why he changed the name of the party adding the word socialist The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S letter shapes for his socialism The discoveries are from the historian Dr Rex Curry's work 2 NEW SWASTIKA DISCOVERY Vladimir Lenin's swastika is revealed herein The impact of Lenin's swastikas was reinforced at that time with additional swastikas on ruble money paper currency The swastika became a symbol of socialism under Lenin Its influence upon Adolf Hitler is explained in this book 3 Hitler altered his own signature to reflect his S shapes for socialism logo branding 4 There is no evidence that Hitler ever used the word swastika in his life 5 The term swastika never appears in the original Mein Kampf 6 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Hitler's book Mein Kampf as a self description by Hitler 7 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST 8 Hitler never called himself a Fascist That term is misused to hide how Hitler and his comrades self identified SOCIALIST 9 The term Nazi isn't in Mein Kampf nor in Triumph of the Will 10 The term Fascist never appears in Mein Kampf as a self description by Hitler 11 Soviet socialists and German socialists partnered for International Socialism in 1939 They launched WWII invading Poland together and continued onward from there killing millions Soviet socialism had signed on for Hitler's Holocaust 12 After Hitler's death Stalin continued the plan he had made with Hitler for Global Socialism Stalin took over the same areas that

Hitler had captured He used the same facilities that Hitler had used Hitler s Holocaust never ended Stalin replaced Hitler 13 Nazi salutes and Nazi behavior originated in the USA from the Pledge of Allegiance to the Flag The pledge was written by an American National Socialist named Francis Bellamy Francis Bellamy was the cousin of Edward Bellamy another infamous American National Socialist They worked together to promote their dogma in the USA 14 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 15 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 16 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 17 Fascism came from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists Hitler s political philosophy continues to be admired by modern politicians Bernie Sanders self identifies the same as Hitler SOCIALIST Alexandria Ocasio Cortez self identifies the same as Hitler too They also admire Marx Other politicians gladly adopt and repeat the same ideas even if they are too dishonest to admit that they are socialists Every election witnesses Americans struggling to bring Germany s past into the present MSM polling reports that 70 percent of millennials say they would vote for a candidate who self identifies the same as Hitler 2019 YouGov poll According to another report 60 percent of Millennials age 24 39 support a complete change of our economic system Hitler and Marx were anti bourgeois and advocated revolution Many people long for the same revolutions The Deutschland s two top germs continue to spread globally China drooled over Marx the embarrassing video Chinese President Xi Jinping delivers speech on anniversary of Marx s birth 2018 China is humiliated by the same old German who influenced Hitler Of course China has the largest population billions who self identify the same as Hitler SOCIALIST the same way that Marx self identified China s lethal attraction to Marx and Hitler was huge compared to the USA s That is why the books of Marx and Hitler were once considered too dangerous for the general public But Mein Kampf was a bestseller as recently as 2017 Its popularity grows worldwide It has always been one of Amazon s better selling book titles Hitler and Marx are always trending on the internet Germany s two top white male racist political philosophers stay in vogue despite their stale policies Ideas from the Deutschland duo are adored and repeated often on social media and by the mainstream media MSM in the USA Hitler Stalin Mao Mussolini and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide Francis Bellamy was the author of the Pledge of Allegiance to the flag the source of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America s Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs

and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don't want to know the truth about the government's past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide **Hitler's Spies** Mel Kavanagh,2020-12-14 The incredible true story of the first four Nazi spies to infiltrate British soil is revealed in this WWII history After the swift takeover of France and the Low Countries Nazi Germany was on the crest of a wave Only the United Kingdom stood in its way Hitler quickly devised plans for the invasion of England codenamed Operation Sealion To lay the groundwork a team of spies would be sent in advance to act as pathfinders for the incoming forces Codenamed Operation Lena this phase of the plan was considered a suicide mission by German military intelligence They had only thirty days to recruit and train agents who had a less than convincing grasp of English language or customs Hitler's Spies reveals the story of the first four agents to arrive on English soil collectively known by MI5 as The Brussels Four Using a wealth of primary materials including newly declassified sources Mel Kavanagh sheds light on one of the most audacious yet little known operations of the Second World War in which undertrained men were sent behind enemy lines at a time when Britain was gripped by spy paranoia **The Jews and the Blues** Thomas Pelham Gross,Doris A. Gross,2003-03 The Devil's Mercedes Robert Klara,2025-10-16 Critically acclaimed author Robert Klara's The Devil's Mercedes chases down one of the most improbable stories of the postwar era the national drama that erupted when Hitler's armored limousine surfaced in the US In 1938 Mercedes Benz began production of the largest most luxurious limousine in the world A machine of frightening power and sinister beauty the Grosser 770K Model 150 Offener Tourenwagen was 20 feet long seven feet wide and tipped the scales at 5 tons Its supercharged 230 horsepower engine propelled the beast to speeds over 100 m p h while its occupants reclined on glove leather seats stuffed with goose down Armor plated and equipped with hidden compartments for Luger pistols the 770K was a sumptuous monster with a monstrous patron Adolph Hitler and the Nazi party Deployed mainly for propaganda purposes before the war the hand built limousines in which Hitler rode standing in the front seat motored through elaborate rallies and appeared in countless newsreels swiftly becoming the Nazi party's most durable symbol of wealth and power Had Hitler not so thoroughly dominated the scene with his own megalomania his opulent limousine could easily have eclipsed him Most of the 770Ks didn't make it out of the rubble of World War II But several of them did And two of them found their way secretly and separately to the United States In The Devil's Mercedes author Robert Klara uncovers the forgotten story of how Americans responded to these rolling relics of fascism on their soil The limousines made headlines drew crowds made fortunes and ruined lives What never became public was how both of the cars would ultimately become tangled in a web of confusion mania and opportunism fully entwined in a story of mistaken identity Nobody knew that the limousine touted as Hitler's had in fact never belonged to him while the Mercedes shrugged off as an ordinary staff car one later abandoned in a warehouse and sold off as government surplus turned out to be none other than Hitler's personal

automobile It would take 40 years a cast of carnies and millionaires the United States Army and the sleuthing efforts of an obscure Canadian librarian to bring the entire truth to light As he recounts this remarkable drama Klara probes the meaning of these haunting hulks and their power to attract excite and disgust The limousines appearance collided with an American populous celebrating a victory even as it sought to stay a step ahead of the war s ghosts Ultimately The Devil s Mercedes isn t only the story of a rare and notorious car but what that car taught postwar America about itself **Diana Mosley** Anne De Courcy,2012-01-31 Diana Mosley was one of the most fascinating and controversial figures of recent times For some she was a cult for many anathema Born in 1910 Diana was the most beautiful and the cleverest of the six Mitford sisters She was eighteen when she married Bryan Guinness of the brewing dynasty by whom she had two sons After four years she left him for the fascist leader Oswald Mosley and set herself up as Mosley s mistress a course of action that horrified her family and scandalised society In 1933 she took her sister Unity to Germany soon both had met the new German leader Adolf Hitler Diana became so close to him that when she and Mosley married in 1936 the ceremony took place in the Goebbels drawing room and Hitler was guest of honour She continued to visit Hitler until a month before the outbreak of war and afterwards for many years refused to believe in the reality of the Holocaust This gripping book is a portrait of both an extraordinary individual and the strange terrible world of political extremism in the 1930s **Trials of War Criminals Before the Nuernberg Military Tribunals Under Control Council Law No. 10, Nurenberg, October 1946-April, 1949** ,1953
