Dialogues With Myself Personal Essays On Mormon Experience:

Dialogues with Myself Eugene England, 1984-01-01 Exploring Mormon Thought Blake T. Ostler, 2020-11-05 The problem of evil is perhaps the greatest challenge to belief in a loving and personal God The challenge naturally leads us to ask Why God has this happened to me to my loved ones to my enemies Or to ask with the Psalmist Where art thou God Or to perhaps echo Jesus My God my God why hast thou abandoned me In this fourth volume of the Exploring Mormon Thought series God s Plan to Heal Evil Blake T Ostler examines how others in the Christian and Mormon traditions have attempted to provide solutions to this challenge and the shortcomings they contain Ostler then looks to Mormon theology to offer what he calls the Plan of Agape or what is perhaps the most robust explanation of how belief in a loving personal God can be had in light of all of the suffering that exists in the world **Parting the Mormon Veil** Ángel Chaparro Sanz, 2017-07-27 Este libro supone una invitación para descubrir la cultura y la literatura mormonas desde una perspectiva muy personal así como un viaje fascinante al territorio literario de Phyllis Barber una vasta extensión de un terreno físico y emocional donde los límites se entrecruzan y el tiempo teje nidos que trascienden la narrativa Ángel Chaparro analiza el proyecto social y cultural de la ficción y las autobiografías de Phyllis Barber examina la influencia de la cultura mormona del paisaje del Oeste americano y de los acontecimientos históricos en su escritura y trata de anticipar el espacio que sus libros ocupan en el desarrollo en curso de la literatura mormona y de la cultura del Oeste americano Este original análisis va precedido de una historia de La Iglesia de Jesucristo de los Santos de los Últimos Días Dialogue , 1999 A journal of Mormon thought *Historical Dictionary of the Latter-day Saints* Thomas G. Alexander, Davis Bitton, 2019-10-08 The Church of Jesus Christ of Latter day Saints is a Christian church that was organized by six men in western New York in 1830 under the leadership of Joseph Smith the church has grown to more than 16 million members today A restoration of the primitive church organized by Jesus Christ in the first century C E the church s membership was originally all Americans The church is now however a worldwide church with more members who live outside the United States than inside The fourth edition of Historical Dictionary of the Latter day Saints contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on the important people ideas doctrine and events during the hundred ninety year history of The Church of Jesus Christ of Latter day Saints This book is an excellent resource for students researchers and anyone wanting to know more about The Church of Jesus Christ of Latter day Saints *Stretching the Heavens* Terryl L. Givens, 2021-07-21 Eugene England 1933 2001 one of the most influential and controversial intellectuals in modern Mormonism lived in the crossfire between religious tradition and reform This first serious biography by leading historian Terryl L Givens shimmers with the personal tensions felt deeply by England during the turmoil of the late twentieth century Drawing on unprecedented access to England s personal papers Givens paints a multifaceted portrait of a devout Latter day Saint whose precarious position on the edge of church hierarchy was instrumental to his ability to shape the study of modern Mormonism A professor

of literature at Brigham Young University England also taught in the Church Educational System And yet from the sixties on he set church leaders teeth on edge as he protested the Vietnam War decried institutional racism and sexism and supported Poland's Solidarity movement all at a time when Latter day Saints were ultra patriotic and banned Black ordination England could also be intemperate proud of his own rectitude and neglectful of political realities and relationships and he was eventually forced from his academic position His last days as he suffered from brain cancer were marked by a spiritual agony that church leaders were unable to help him resolve Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book

The Ethics and Aesthetics of Eco-caring Margarita Estévez-Saá, María Jesús Lorenzo-Modia, 2020-06-09 This book applies ecofeminist ethics to the realm of aesthetics offering instances of how alternative configurations of the self of nature and of non human animals can go hand in hand with different and viable experiences and visions of environmental welfare Preceded by an insightful introduction on the history of ecofeminism and of ecofeminist literary criticism the chapters included in the volume illustrate the continuing theoretical influence of seminal ecofeminists such as Carolyn Merchant Rosemary Ruether Karen Warren Val Plumwood as well as an awareness of more recent trends in ecofeminist formulations such as those proposed by Greta Gaard Serenella Iovino or Vernon Gras The book also includes instances of contemporary nature writing such as the text by Irish poet Grace Wells as well as case studies of the application of ecofeminist tenets in contemporary poetry and fiction written by both men and women As the contributors

demonstrate contemporary writers are currently deploying a sound interest in the envisioning of alternative visions of healthy and ethical relationships between the human self and the natural environment This book will be of interest to those researching the use of language for posthumanist ethics the deconstruction of gender dichotomies and the ethics of care and environmental justice as well as to those studying the wider field of ecofeminist literature This book was originally published as a special issue of Women s Studies *People of Paradox* Terryl Givens,2007-08-23 In *People of Paradox* Terryl Givens traces the development of Mormon culture from the days of Joseph Smith in upstate New York to the global spread of the Latter Day Saints Here is a religion shaped by an authoritarian hierarchy and individualism intellectual investigation existence in exile and a yearning for acceptance by the larger world Historical Dictionary of Mormonism Davis Bitton,2000 On an introductory level this book describes the historical phases the leaders and other prominent individuals and Mormon activities in different geographical locations Indispensable for outsiders as well as Mormons wishing to inform themselves specialized vocabulary including historical organizational and theological terms is listed and defined
