Dianas Diary An Intimate Portrait Of The Princess Of Wales:

Diana's Diary Andrew Morton,1990 For the first time royal writer Andrew Morton takes a detailed look at the secret world of the Princess of Wales and reconstructs her daily life To build up an intimate dossier on Diana Morton has interviewed friends members of the royal household her staff and charities revealing a side of the Princess hitherto unknown 200 four color photographs **Diana: The Portrait** Rosalind Coward,2007-07 Supplemented by photographs offers a personal look at the woman known for her humanitarian inspiration to the world Diana Rosalind Coward,2004-09 Supplemented by many never before published photographs offers a personal look at the woman known for her humanitarian inspiration to the world Diana's Diary Andrew Morton,1990 The life of the Princess of Wales based on interviews with those closest to her Details of her beauty routine her diet how she relaxed and her likes and dislikes Diana: In Pursuit of Love Andrew Morton,2013-10-01 An honest unbiased account of one of the most admired influential figures of our era and the definitive study of Diana **Diana in Search of Herself** Sally Bedell Smith,2012-08-15 The first authoritative biography of one of the most fabled women of the twentieth century Princess Diana that paints an insightful and haunting portrait a chilling vision of loneliness need and untreated mental illness USA Today Sally Bedell Smith has done a remarkable job extracting what s genuinely pertinent and interesting about Diana If you re going to read one Diana book this should be it Newsweek For all that has been written about Diana the books the commemorative magazines the thousands of newspaper articles we have lacked a sophisticated understanding of the woman her motivations and her extreme needs Most books have been exercises in hagiography or character assassination sometimes both in the same volume With *Diana in Search of Herself* acclaimed biographer Sally Bedell Smith has written the first truly balanced and nuanced portrait of the Princess of Wales in all her emotional complexity Drawing on scores of exclusive interviews with Diana s friends and associates Smith explores the events and relationships that shaped the Princess the flashpoints that sent her careening through life her deep feelings of unworthiness her view of men and her perpetual journey toward a better sense of self By making connections not previously explored *Diana in Search of Herself* allows readers to see Diana as she really was from her birth to her tragic death Original in its reporting and surprising in its conclusions about the severity of Diana s mental health problems *Diana in Search of Herself* is the smartest and most substantive biography ever written about this mesmerizing woman NOTE This edition does not include photographs Historical Dictionary of the British Monarchy Kenneth J. Panton,2011-02-24 The monarch is the United Kingdom s head of state exercising powers that are circumscribed by common law convention and statute law Nowadays many of the sovereign s functions are ceremonial but in the past the balance between ceremony and decision making was very different The foundations of the modern monarchy were laid more than a millennium ago in Anglo Saxon and Celtic Britain so its modern form is a stage in an evolution that has been shaped by attitudes towards divorce the changing role of women the democratization of society dynastic intermarriage financial demands religious convictions

struggles for economic and political power and territorial aggrandizement Covering some of the most famous figures in world history including William the Conqueror Henry VIII and Queens Victoria Elizabeth I and Elizabeth II the Historical Dictionary of the British Monarchy provides a chronology starting with the year 495 and continuing to the present day an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on significant persons places events institutions and other aspects of British culture society economy and politics This book is a must for anyone interested in the British monarchy

Princess Diana Richard Buskin,1997 Originally published in 1992 this biography has been fully revised with an addition of 32 pages of text covering the beloved Princess s untimely death and her internationally televised memorial service Includes 75 photos

Over Exposed Carol Squiers,1999 A group of distinguished photographers critics and cultural historians examine the many roles of photography in contemporary Western culture covering questions about representation sexual politics public policy and cultural activism 40 photos

Dianaworld Edward White,2025-04-29 A fascinating new perspective on the life and afterlife of Diana Princess of Wales the planet s all purpose cultural icon Over the last forty years the mythology of Princess Diana has turned the woman who was born Diana Spencer into a symbol for almost anything From a harbinger of Brexit populism an all American consumer capitalist and the savior of the British aristocracy to a catalyst for MeToo and in the words of one superfan the biggest punk that s come out of England Diana connects with a wider array of people than any member of the royal family ever has We feel so familiar with Diana that it seems crushingly formal to use anything but her first name In *Dianaworld* Edward White guides us through this strange precinct of a global cultural obsession It s a place of mass delusions outsized fantasies and quixotic dreams of druids psychics Hollywood stars obsessive stalkers radical feminists and Middle Eastern generals In a signature innovative exploded biography White offers both a portrait of the princess and group portraits of those who knew her intimately those who worked with and for her and the many ordinary people whose connection to Diana reveals her unique and enduring legacy White draws on a kaleidoscopic array of sources and perspectives never before used in books about Diana or the royal family from interviews with sex workers and professional lookalikes to the Mass Observation social research project and the Great Diary Project in Britain and the peculiar work of outsider artists Diana would have approved of her posthumous title the People s Princess the image of a royal with a pauper s soul was exactly how she marketed herself In *Dianaworld* White explores Diana Spencer the person and the cultural figure by re creating the world Diana lived in and illuminating her lasting impact on the world she left behind
