The Twilight of the Avant-garde Jonathan Mayhew, 2009-01-01 Twilight of the Avant Garde addresses the central problem of contemporary Spanish poetry the attempt to preserve the scope and ambition of modernist poetry at the end of the twentieth century Offering a critical analysis of Luis Garc a Montero s poetry of experience and the work of Jos Angel Valente and Antonio Gamoneda among others Mayhew challenges received notions about the value of poetic language in relation to the society and culture at large Ultimately championing the survival of more challenging and ambitious modes of poetic writing in the postmodern age this volume argues that the cultural ambition of modernist poetics remains alive and well in our age of cynicism

The Hispanic Homograph Robert Richmond Ellis, 1997 *They Need Nothing* Robert Richmond Ellis, 2012-01-01 The first comprehensive study of Spanish writings on East and Southeast Asia from the Spanish colonial period They Need Nothing draws attention to many essential but understudied Spanish language texts from this era Robert Richmond Ellis provides an engaging interdisciplinary examination of how these writings depict Asia and Asians as both similar to and different from Europe and Europeans and details how East and Southeast Asians reacted to the Spanish presence in Asia They Need Nothing highlights texts related to Japan China Cambodia and the Philippines beginning with Francis Xavier s observations of Japan in the mid sixteenth century and ending with Jos Rizal s responses to the legacy of Spanish colonialism in the late nineteenth century Ellis provides a groundbreaking expansion of the geographical and cultural contours of Hispanism that bridges the fields of European Latin American and Asian Studies

Spanish Poetry of the Twentieth Century Andrew Debicki, 2021-12-14 Twentieth century Spanish poetry has received comparatively little attention from critics writing in English Andrew Debicki now presents the first English language history published in the United States to examine the sweep of modern Spanish verse More important he is the first to situate Spanish poetry in the context of European modernity to trace its trajectory from the symbolists to the postmodernists Avoiding the rigid generational schemes and catalogs of names found in traditional Hispanic literary histories Debicki offers detailed discussions of salient books and texts to construct an original and compelling view of his subject He demonstrates that contemporary Spanish verse is rooted in the modern tradition and poetics that see the text as a unique embodiment of complex experiences He then traces the evolution of that tradition in the early decades of the century and its gradual disintegration from the 1950s to the present as Spanish poetry came to reflect features of the postmodern especially the poetics of text as process rather than as product By centering his study on major periods and examining within each the work of poets of different ages Debicki develops novel perspectives The late 1960s and early 1970s for example were not merely the setting for a new aestheticist generation but an

era of exceptional creativity in which both established and new writers engendered a profound intertextual and often self-referential lyricism This book will be essential reading for specialists in modern Spanish letters for advanced students and for readers interested in comparative literature

Juan Perón Jill Hedges, 2021-04-08 Within Argentina Juan Domingo Perón continues to be the subject of exaggerated and diametrically opposed views A dictator a great leader the hero of the working classes and Argentina's first worker a weak and spineless man dependent on his stronger-willed wife a Latin American visionary a traitor responsible for dragging Argentina into a modern socially just 20th century society or conversely destroying for all time a prosperous nation and fomenting class war and unreasonable aspirations among his client base Outside Argentina Perón remains overshadowed by his second wife Evita The life of this fascinating and unusual man whose charisma political influence and controversial nature continue to generate interest remains somewhat of a mystery to the rest of the world Perón remains a key figure in Argentine politics still able to occupy so much of the political spectrum as to constrain the development of viable alternatives Jill Hedges explores the life and personality of Perón and asks why he remains a political icon despite the negatives associated with his extreme personalism

A Companion to the Twentieth-century Spanish Novel Marta E. Altisent, 2008 The Spanish novel in a turbulent century This collection of studies by eighteen prominent theorists and critics offers a diverse panorama of the modern Spanish novel seen through the prism of Spain's recent political cultural and ideological history It considers the development of the novel as a social mirror and as a changing literary form torn between the tradition of stern realism and the aesthetics of rupture affecting all Western literature from the Avant Garde to the Postmodern age While some essays emphasise the Spanish cultural context and canonical writers others are of a broader nature grouping lesser known writers under certain literary tendencies the metaphysical novel the urban novel recuperative accounts of the Civil War feminine first person narrations and the rise of the popular detective historical and erotic novels Three studies address the resurgence of the Catalan Basque and Galician novel and their departure from a poetics of identity to one of global concerns Interdisciplinary approaches address the reciprocal impacts of literature and cinema and the effects of the marketplace on the consumption of fiction are not forgotten The Companion provides ample bibliographies and a valuable chronology while all titles and quotations are translated into English Contributors Marta E Altisent Katarzyna Olga Beilin Ramón Buckley Jos F Colmeiro Stacey Dolgin Casado Sebastiaan Faber David K Herzberger Carlos Alex Longhurst Kathleen N March Cristina Martínez Carazo Alfredo Martínez Expósito Nina L Molinaro Gonzalo Navajas Mari Jose Olaziregi Janet D Pérez Randolph D Pope Josep Miquel Sobrer H Rosi Song
