Maggie Violet Howe,2017-07-03 The first time Maggie fell in love it started with a broken toe and ended with a broken heart At nineteen she was too na ve to heed the warning signs and she raced blindly down a path that destroyed her soaring ballet career and pushed her to close herself off to any romantic interest Thirty years later Maggie s first glimpse of rancher Dax Pearson makes her heart stutter in an all too familiar way This time she s determined to keep a tight rein on the impulse to throw away her hard won independence She s not looking to get herself

roped in by a handsome face but Dax's winning charm and gentle touch gradually begin to work their magic and soon Maggie's tempted to once again attempt the dance of love Letting go of the past isn't easy though especially when it has choreographed her life for so long Breaking free of its familiar rhythm could expose her deepest shame and shatter her heart beyond repair
