Diary Drawings Mental Illness And Me:

Diary Drawings Bobby Baker, Dora Whittuck, 2010 Mental Health
Bobby Baker's Diary Drawings Wellcome Collection, Bobby Baker, 2009
Bobby Baker's Diary Drawings ,2009
Drawing Investigations Sarah Casey, Gerry Davies, 2020-06-11 Using close visual analysis of drawings artist interviews critical analysis and exegesis Drawing Investigations examines how artists use drawing as an investigative tool to reveal information that would otherwise remain unseen and unnoticed How does drawing add shape to ideas How does the artist accommodate to challenges and restraints of a particular environment To what extent is a drawing complementary and continuous with its subject and where is it disruptive and provocative Casey and Davies address these questions while focusing on artists working collaboratively and the use of drawing in challenging or unexpected environments Drawing Investigations evaluates the emergence of a way of thinking among an otherwise disconnected group of artists by exploring commonalities in the application of analytical drawing to the natural world urban environment social forces and lived experience Examples represent a spectrum of research in international contexts an oceanographic Institute in California the archives of Amsterdam s Rijksmuseum the Antarctic Survey geothermal research in Japan and the Kurdish diaspora in Iraq Issues are situated in the contemporary theory and practice of drawing including relationships to historical precedents By exploring drawing s capacity to capture and describe experience to sharpen visual faculties and to bridge embodied and conceptual knowledge Drawing Investigations offers a fresh critical perspective on contemporary drawing practice
Critical Live Art Dominic Johnson, 2016-04-29 Live Art is a contested category not least because of the historical disciplinary and institutional ambiguities that the term often tends to conceal Live Art can be usefully defined as a peculiarly British variation on particular legacies of cultural experimentation a historically and culturally contingent translation of categories including body art performance art time based art and endurance art The recent social and cultural history of the UK has involved specific factors that have crucially influenced the development of Live Art since the late 1970s These have included issues in national cultural politics relating to sexuality gender disability technology and cultural policy In the past decade there has been a proliferation of festivals of Live Art in the UK and growing support for Live Art in major venues Nevertheless while specific artists have been afforded critical essays and monographs there is a relative absence of scholarly work on Live Art as a historically and culturally specific mode of artistic production Through essays by leading scholars and critical interviews with influential artists in the sector Critical Live Art addresses the historical and cultural specificity of contemporary experimental performance and explores the diversity of practices that are carried out programmed read or taught as Live Art This book is based on a special issue of Contemporary Theatre Review
Theatre and Therapy Fintan Walsh, 2024-09-19 What is the relationship between theatre and therapy How has this relationship developed over time with a new contemporary focus on mental wellbeing How is therapy put on the couch by theatrical performance Theatre and Therapy

explores the evolution of links between theatre and therapy by considering actor training theatre in therapeutic contexts and contemporary theatre and performance practice The book illuminates some of the connections and frictions between theatre and therapy drawing on a range of examples that includes theatre performance documentary theatre solo performance comedy method acting and dramatherapy This concise study traverses some of the changing interactions between theatre and therapy and in this revised edition takes into account shifting attitudes and approaches to theatre as a therapeutically inspired practice and tool The Wiley Handbook of Developmental Psychopathology Luna C. Centifanti,David M.

Williams,2017-11-06 The Wiley Handbook of Developmental Psychopathology offers a concise up to date and international overview of the study of developmental psychopathology Examines the cognitive neurobiological genetic and environmental influences on normal and abnormal development across the lifespan Incorporates methodology theory and the latest empirical research in a discussion of modern techniques for studying developmental psychopathology Considers the legal societal and policy impacts of changes to diagnostic categories in the light of the transition to DSM 5 Moves beyond a disorder based discussion to address issues that cut across diagnostic categories **A Companion to Contemporary**

Drawing Kelly Chorpening,Rebecca Fortnum,2020-11-24 The first university level textbook on the power condition and expanse of contemporary fine art drawing A Companion to Contemporary Drawing explores how 20th and 21st century artists have used drawing to understand and comment on the world Presenting contributions by both theorists and practitioners this unique textbook considers the place space and history of drawing and explores shifts in attitudes towards its practice over the years Twenty seven essays discuss how drawing emerges from the mind of the artist to question and reflect upon what they see feel and experience This book discusses key themes in contemporary drawing practice addresses the working conditions and context of artists and considers a wide range of personal social and political considerations that influence artistic choices Topics include the politics of eroticism in South American drawing anti capitalist drawing from Eastern Europe drawing and conceptual art feminist drawing and exhibitions that have put drawing practices at the centre of contemporary art This textbook Demonstrates ways contemporary issues and concerns are addressed through drawing Reveals how drawing is used to make powerful social and political statements Situates works by contemporary practitioners within the context of their historical moment Explores how contemporary art practices utilize drawing as both process and finished artifact Shows how concepts of observation representation and audience have changed dramatically in the digital era Establishes drawing as a mode of thought Part of the acclaimed Wiley Blackwell Companions to Art History series A Companion to Contemporary Drawing is a valuable text for students of fine art art history and curating and for practitioners working within contemporary fine art practice **Creativity and Social Support in Mental Health R.**

McDonnell,2014-04-17 This book weaves together service users lived experiences of mental health recovery and ideas about how creative activities such as art music and creative reading and writing can promote it particularly within social and

community settings *De-Medicalizing Misery II* E. Speed, J. Moncrieff, M. Rapley, 2014-09-16 This book extends the critical scope of the previous volume *De Medicalizing Misery* into a wider social and political context developing the critique of the psychiatrization of Western society It explores the contemporary mental health landscape and poses possible alternative solutions to the continuing issues of emotional distress
