Dickinson's Misery

A Theory of Lyric Reading

Dickinson S Misery Dickinson S Misery

Virginia Jackson

Dickinson S Misery Dickinson S Misery:

Dickinson's Misery Virginia Jackson, 2005-07-25 How do we know that Emily Dickinson wrote poems How do we recognize a poem when we see one In Dickinson s Misery Virginia Jackson poses fundamental questions about reading habits we have come to take for granted Because Dickinson s writing remained largely unpublished when she died in 1886 decisions about what it was that Dickinson wrote have been left to the editors publishers and critics who have brought Dickinson s work into public view The familiar letters notes on advertising fliers verses on split open envelopes and collections of verses on personal stationery tied together with string have become the Dickinson poems celebrated since her death as exemplary lyrics Jackson makes the larger argument that the century and a half spanning the circulation of Dickinson s work tells the story of a shift in the publication consumption and interpretation of lyric poetry This shift took the form of what this book calls the lyricization of poetry a set of print and pedagogical practices that collapsed the variety of poetic genres into lyric as a synonym for poetry Featuring many new illustrations from Dickinson s manuscripts this book makes a major contribution to the study of Dickinson and of nineteenth century American poetry It maps out the future for new work in historical poetics and lyric theory

Dickinson's Misery Virginia Walker Jackson, 2005 How do we know that Emily Dickinson wrote poems How do we recognize a poem when we see one In Dickinson s Misery Virginia Jackson poses fundamental questions about reading habits we have come to take for granted Because Dickinson s writing remained largely unpublished when she died in 1886 decisions about what it was that Dickinson wrote have been left to the editors publishers and critics who have brought Dickinson s work into public view The familiar letters notes on advertising fliers verses on split open envelopes and collections of verses on personal stationery tied together with string have become the Dickinson poems celebrated since her death as exemplary lyrics Jackson makes the larger argument that the century and a half spanning the circulation of Dickinson s work tells the story of a shift in the publication consumption and interpretation of lyric poetry This shift took the form of what this book calls the lyricization of poetry a set of print and pedagogical practices that collapsed the variety of poetic genres into lyric as a synonym for poetry Featuring many new illustrations from Dickinson s manuscripts this book makes a major contribution to the study of Dickinson and of nineteenth century American poetry It maps out the future for new work in historical poetics and lyric theory

Dickinson's Misery Virginia Jackson, 2024-11-01 How do we know that Emily Dickinson wrote poems How do we recognize a poem when we see one In Dickinson s Misery Virginia Jackson poses fundamental questions about reading habits we have come to take for granted Because Dickinson s writing remained largely unpublished when she died in 1886 decisions about what it was that Dickinson wrote have been left to the editors publishers and critics who have brought Dickinson s work into public view The familiar letters notes on advertising fliers verses on split open envelopes and collections of verses on personal stationery tied together with string have become the Dickinson poems celebrated since her death as exemplary lyrics Jackson makes the larger argument that the century and a half spanning the

circulation of Dickinson's work tells the story of a shift in the publication, consumption and interpretation of lyric poetry. This shift took the form of what this book calls the lyricization of poetry: a set of print and pedagogical practices that collapsed the variety of poetic genres into lyric as a synonym for poetry. Featuring many new illustrations from Dickinson's manuscripts, this book makes a major contribution to the study of Dickinson and of nineteenth-century American poetry. It maps out the future for new work in historical poetics and lyric theory.

The Poetry of Emily Dickinson Elisabeth Camp, 2021. One of America's most celebrated poets, Emily Dickinson was virtually unpublished in her lifetime. When a slim volume of her poems emerged on the American scene in 1890, her work created shockwaves that have not subsided yet. Famously precise and sparse, Emily Dickinson's poetry is often described as philosophical, both because her poetry grapples with philosophical topics like death, spirituality and the darkening operations of the mind, and because she approaches those topics in a characteristically philosophical manner: analyzing and extrapolating from close observation, exploring alternatives and connecting thoughts into cumulative demonstrations. But unlike Lucretius or Pope, she cannot be accused of producing versified treatises. Many of her poems are unsettling in their lack of conclusion; their disparate insights often stand in conflict, and her logic turns crucially on imagery, juxtaposition, assonance, slant rhyme and punctuation. The six chapters of this volume collectively argue that Dickinson is an epistemically ambitious poet who explores fundamental questions by advancing arguments that are designed to convince. Dickinson exemplifies abstract ideas in tangible form and habituates readers into productive trains of thought; she doesn't just make philosophical claims but demonstrates how poetry can make a distinct contribution to philosophy. All essays in this volume, drawn from both philosophers and literary theorists, serve as a counterpoint to recent critical work which has emphasized Dickinson's anguished uncertainty, her nonconventional style and the unsettled status of her manuscripts. On the view that emerges here, knowing is like cleaning, mending and lacemaking: a form of hard, ongoing work, but one for which poetry is a powerful, perhaps indispensable tool.

Dickinson Unbound Alexandra Socarides, 2014-07-01. In *Dickinson Unbound*, Alexandra Socarides takes readers on a journey through the actual steps and stages of Emily Dickinson's creative process. In chapters that deftly balance attention to manuscripts, readings of poems and a consideration of literary and material culture, Socarides takes up each of the five major stages of Dickinson's writing career: copying poems onto folded sheets of stationery; inserting and embedding poems into correspondence; sewing sheets together to make fascicles; scattering loose sheets and copying lines on often torn and discarded pieces of household paper. In so doing, Socarides reveals a Dickinsonian poetics starkly different from those regularly narrated by literary history. Here, Dickinson is transformed from an elusive poetic genius whose poems we have interpreted in a vacuum into an author who employed surprising and at times surprisingly conventional methods to wholly new effect. *Dickinson Unbound* gives us a Dickinson at once more accessible and more complex than previously imagined. As the first authoritative study of Dickinson's material and compositional methods, this book not only transforms our ways of reading Dickinson but advocates for a critical

methodology that insists on the study of manuscripts composition and material culture for poetry of the nineteenth century and thereafter

The Oxford Handbook of Emily Dickinson Crisanne Miller, Karen Sánchez-Eppler, 2022 A Handbook devoted to the American poet Emily Dickinson 1830-86 that explores form and genre reception of her work and the ways that Dickinson's life and writing intersected with important historical events such as the Civil War slavery the women's rights movement and the growth of capitalism

Approaching Emily Dickinson Fred D. White, 2008 The book gives detailed attention to the principal trends in Dickinson scholarship during the past half century rhetorical and stylistic analysis of the poems and letters biographical studies informed by theories of gender sexuality and by medical history feminist studies of the poet's life and work textual studies of the bound and unbound fascicles and the so-called worksheet drafts or scraps new assessments of the poet's social and cultural milieu including influences on her spiritual sensibility and of her theories of poetry including lyricism

BOOK JACKET *Emily Dickinson in Context* Eliza Richards, 2013-09-16 Long untouched by contemporary events ideas and environments Emily Dickinson's writings have been the subject of intense historical research in recent years This volume of thirty-three essays by leading scholars offers a comprehensive introduction to the contexts most important for the study of Dickinson's writings While providing an overview of their topic the essays also present groundbreaking research and original arguments treating the poet's local environments literary influences social cultural political and intellectual contexts and reception A resource for scholars and students of American literature and poetry in English the collection is an indispensable contribution to the study not only of Dickinson's writings but also of the contexts for poetic production and circulation more generally in the nineteenth-century United States

[Emily Dickinson and Poetics](#) Melanie Hubbard, 2020-02-20 Dickinson formulates her poetics in the context of popular manuscript practices rhetoric philosophy and science in the American nineteenth century

The New Emily Dickinson Studies Michelle Kohler, 2019-05-16 This collection presents new approaches to Dickinson informed by twenty-first-century theory and methodologies The book is indispensable for Dickinson scholars and students at all levels as well as scholars specializing in American literature poetics ecocriticism new materialism race disability studies and feminist theory

Decoding **Dickinson S Misery Dickinson S Misery**: Revealing the Captivating Potential of Verbal Expression
