Did God Have A Wife Archaeology And Folk Religion In Ancient Israel:

Did God Have a Wife? William G. Dever, 2008-07-23 This richly illustrated non technical reconstruction of folk religion in ancient Israel is based largely on recent archaeological evidence but also incorporates biblical texts where possible

When God Had a Wife Lynn Picknett, Clive Prince, 2019-12-10 Reveals the tradition of goddess worship in early Judaism and how Jesus attempted to restore the feminine side of the faith Provides historical and archaeological evidence for an earlier form of Hebrew worship with both male and female gods including a 20th century discovery of a Hebrew temple dedicated to both Yahweh and the warrior goddess Anat Explores the Hebrew pantheon of goddesses including Yahweh s wife Asherah goddess of fertility and childbirth Shows how both Jesus and his great rival Simon Magus were attempting to restore the ancient goddess worshipping religion of the Israelites Despite what Jews and Christians and indeed most people believe the ancient Israelites venerated several deities besides the Old Testament god Yahweh including the goddess Asherah Yahweh s wife who was worshipped openly in the Jerusalem Temple After the reforms of King Josiah and Prophet Jeremiah the religion recognized Yahweh alone and history was rewritten to make it appear that it had always been that way The worship of Asherah and other goddesses was now heresy and so the status of women was downgraded and they were blamed for God s wrath However as Lynn Picknett and Clive Prince reveal the spiritual legacy of the Jewish goddesses and the Sacred Feminine lives on Drawing on historical research they examine how goddess worship thrived in early Judaism and included a pantheon of goddesses They share new evidence for an earlier form of Hebrew worship that prayed to both male and female gods including a 20th century archaeological discovery of a Hebrew temple dedicated to both Yahweh and the goddess Anat Uncovering the Sacred Feminine in early Christianity the authors show how in the first century AD both Jesus and his great rival Simon Magus were attempting to restore the goddess worshipping religion of the Israelites The authors reveal how both men accorded great honor to the women they adored and who traveled with them as priestesses Jesus s Mary Magdalene and Simon s Helen But as had happened centuries before the Church rewrote history to erase the feminine side of the faith deliberately ignoring Jesus s real message and again condemning women to marginalization and worse Providing all the necessary evidence to restore the goddess to both Judaism and Christianity Picknett and Prince expose the disastrous consequences of the suppression of the feminine from these two great religions and reveal how we have been collectively and instinctively craving the return of the Sacred Feminine for millennia [The Madaba Plains Project](#) Douglas R. Clark, Larry G. Herr, Øystein S. LaBianca, Randall W. Younker, 2016-04-08 The year 2008 marks the 40th anniversary of Madaba Plains Project archaeological research in the Hashemite Kingdom of Jordan The Madaba Plains Project is one of the longest lived continuously running archaeological excavation projects in the Middle East Spanning four decades the project with its beginnings at Tall Hisban in the late sixties has engaged 1 500 participants produced scores of publications and spawned a dozen other projects Its legacy includes being one of the first major Near Eastern archaeology projects to adopt a

multi millennial regional approach to incorporate ethnoarchaeology and environmental studies to construct data around a food systems approach and to computerize procedures for archaeological data acquisition and analysis thus helping advance both the theoretical underpinnings and the field methods of archaeology in the southern Levant and beyond Madaba Plains Project directors wishing to celebrate this major scientific and historical milestone have produced this anniversary volume which highlights the value of ongoing collaborative research across the region of central Jordan attempting to explain life and survival from the Bronze ages through the Islamic and early modern periods and features the latest results from ongoing research enlivens the discussion by hearing from major scholars in the field who in the process of assessing the contributions of the project to the archaeology of the southern Levant broaden the discussion in the context of ancient Near Eastern archaeological research and expands the horizons of the project s research by presenting the ever enlarging number and extent of projects conducted by dig directors once on staff with the Madaba Plains Project thereby taking readers all over Jordan and beyond Second Witness: Analytical and Contextual Commentary on the Book of Mormon Brant A.

Gardner,2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon s setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon s purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God **The End of Biblical**
