*Wilbur and Orville Wright* Arthur George Renstrom, 2003 During the year 2003 hundreds of events will mark the one hundredth anniversary of the Wright brothers historic first flights at Kitty Hawk North Carolina The centennial year will witness exhibitions lectures television documentaries films air shows flight recreations of Wright aircraft the issuing of postage stamps and medals the publication of dozens of new books and articles and numerous other commemorative activities One of these events although not likely to make the evening news is among the most important of all in terms of a lasting contribution to the observance of this ultimate aviation milestone the reprinting of Arthur G Renstrom s *Wilbur Orville Wright A Chronology Commemorating the Hundredth Anniversary of the Birth of Orville Wright August 19 1871* Since its appearance in 1975 *Wilbur Orville Wright A Chronology* has become indispensable to students and authors concerned with the life and work of the famous brothers No doubt every book on the subject published in the last quarter century including three of my own was written with this treasure close at hand This volume is far more than a simple compilation of dates and facts Renstrom was a master reference librarian and bibliographer with a passion for aviation and the Wright brothers He brought his considerable research skills to bear on the topic and the result is a richly detailed ever informative often entertaining walk through the lives and achievements of these two extraordinary individuals Renstrom was not content to offer a date with a one line tidbit His entries are brimming with information This is a highly readable reference work that believe or not can be enjoyably read from cover to cover The project was clearly a labor of love by a talented professional During most of the last twenty years I have been privileged to be the curator of the 1903 Wright Flyer at the Smithsonian Institution s National Air and Space Museum The position brings a steady stream of inquiries about the Wright airplane and the endlessly fascinating brothers who created it I do not know how I would have done this job without Renstrom s superb volume on my bookshelf It is the first place I go to check anything on the Wright brothers and I typically find what I am looking for in its pages Arthur Renstrom also published two other classic reference works on the Wright brothers *Wilbur Orville Wright A Bibliography Commemorating the Hundredth Anniversary of the Birth of Wilbur Wright April 16 1867* in 1968 an updated revision was published by the National Aeronautics and Space Administration in 2002 and *Wilbur Orville Wright Pictorial Materials A Documentary Guide* in 1982 completing a series of research tools for which there are few peers on any subject He was also part of the team that produced the landmark two volume compilation of the Wrights letters notebooks and diaries in 1953 *The Papers of Wilbur and Orville Wright* edited by Marvin W McFarland Renstrom s contribution to the documentation and preservation of the Wright story is a lasting legacy that will serve researchers students and general enthusiasts for generations to come In this busy high profile anniversary year the reprinting of a nearly thirty year old reference book may seem a mundane and quiet contribution to the celebration surrounding the Wright brothers world changing achievement but it is perhaps one of the most important The U S Centennial of Flight Commission

and NASA are to be commended for their foresight

**Die Brüder Wright / Eine Studie über die Entwicklung der Flugmaschine von Lilienthal bis Wright** A. Hildebrandt, 2022-01-14 *Die Brüder Wright* Eine Studie über die Entwicklung der Flugmaschine von Lilienthal bis Wright A. Hildebrandt 100% illustriert Die Familie Wright Die Wrights führen ihren Stammbaum bis in das 14. Jahrhundert zurück. Viele hervorragende Leute, deren Namen auch in der Geschichte verewigt sind, haben der Familie angehört. Von grossmütterlicher Seite stammen sie aus Holland, wo die ersten Aufzeichnungen bei Lord Afferden Ende des 14. Jahrhunderts beginnen und bis in die heutige Zeit vollständig fortgeführt sind. Die Nachkommen des Lords wanderten später nach Amerika aus und siedelten sich um das Jahr 1650 in Long Island an. Die Grossmutter Katherine Reeder war verwandt mit dem Gouverneur Andrew H. Reeder, der in Kansas im Jahre 1854 die Zusage der Regierung innehatte. Väterlicherseits können die Vorfahren zurückgeführt werden bis zu John Wright, der im Jahre 1538 das Gut Kelvedon Hall im Kreis Essex in England erwarb. Sein und seiner Frau Olive Nachkomme im vierten Grade Samuel Wright wanderte im Jahre 1630 nach Amerika aus und siedelte sich 6 Jahre später als Farmer in Springfield in Massachusetts an. Hier wurde er bald zum Diakon der ersten puritanischen Kirche und später zum Pfarrer der Gemeinde erwählt. Nach segensreichem Wirken entschlief er sanft im Jahre 1665 zu Northampton. Seine Nachkommen blieben in Neu England und manche berühmten Leute sind aus ihnen hervorgegangen. Zu nennen sind Edmond Freeman, Reverend Joshua Moody, Reverend John Russell, John Otis und John Porter in Windsor. Durch den letzten sind die Wrights verwandt geworden mit dem
