City By City Dispatches From The American Metropolis:

City by City Keith Gessen, Stephen Squibb, 2015-05-12 A collection of essays historical and personal about the present and future of American cities

City by City Keith Gessen, Stephen Squibb, 2015-05-12 A collection of essays historical and personal about the present and future of American cities Edited by Keith Gessen and Stephen Squibb *City by City* is a collection of essays historical personal and somewhere in between about the present and future of American cities It sweeps from Gold Rush Alaska to Miami Florida encompassing cities large and small growing and failing These essays look closely at the forces gentrification underemployment politics culture and crime that shape urban life They also tell the stories of citizens whose fortunes have risen or fallen with those of the cities they call home A cross between Hunter S Thompson Studs Terkel and the Great Depression era WPA guides to each state in the Union *City by City* carries this project of American storytelling up to the days of our own Great Recession

City on the Edge Michael Streissguth, 2020-09-01 Why do people stay in a struggling city *City on the Edge* explores this question through the lives of five people in Syracuse New York a quintessential rust belt metropolis Once a booming industrial center with a dynamic civic life and prominence on the world stage Syracuse has endured decades of crime drugs economic depression absent minded political leadership and population decline Michael Streissguth spent more than three years interviewing a young survivor of the streets a refugee from Cuba an urban farmer a community activist and a city elder who shared their stories as they found ways to make life work against sometimes formidable odds He also contextualizes their extended commentary and storytelling with secondary characters and various episodes such as a tragic Father's Day riot and the trial that followed The result is an eye opening look at life in America in the twenty first century where people strive to turn their ideas frustrations and disadvantages into new hope for themselves and the city where they live

How Cities Become Brands Eric Häusler, Jürgen Häusler, 2024-03-26 This book explores how the fragile and lengthy process of developing a city brand can be carefully managed Necessary background information is explained numerous experiences are reported and targeted city branding is inspired in a variety of ways The dream of every brand maker to develop a city into a strong city brand perhaps even a myth The creation of myths remains a curiosity Is it targeted are there relevant recipes for success and can those responsible be identified Above all Can the process be replicated How do brand makers deal with the complexity of the phenomena of cities and city brands How do they give the arduous process of creating a city brand a reasonable chance of success How do brand makers deal with the often biting criticism from outside and the nagging self doubt Successful cityscapes arise from the trials and tribulations of complex and sometimes random processes In the course of global city competition this evolutionary process is enriched with the achievements of the craft of branding This is not a guarantee of success Success depends on numerous prerequisites which are discussed in detail Finally craft rules for good and at the same time sensitive city branding are mentioned The translation was done with the help of artificial intelligence A subsequent human revision was done primarily in terms of

div City Defying Displacement Andrew Lee,2024-02-06 A revolutionary new study of gentrification and how to stop it Cities around the world are in the midst of a profound transformation as the wealthy price out the remnants of the urban working class especially people of color Displacement is neither accidental or inevitable It happens because a whole range of people and institutions profit handsomely Defying Displacement focused on the US but informed by global examples investigates gentrification from the perspective of the people fighting it members of communities whose survival is threatened by some of the most powerful institutions on the planet Andrew Lee names the names and identifies the actual state and corporate forces that work together to enrich a very specific group of people property developers and real estate investors who make a killing politicians who watch their tax bases grow banks that write profitable loans for new businesses and mortgages for new homeowners Meanwhile business districts are planned tax abatements unveiled redevelopment schemes dreamed up corporate and university campuses expanded and ordinary people are driven from their homes The city has long served as the stage for political life and popular revolt As mass displacement alters the composition of gentrifying cities the avenues available for social change become unsettled as well forcing us to reimagine our strategies for building a better world Around the world communities are pushing the struggle against forced displacement in new directions shutting down developments and evictions and bringing cities to a halt fighting militarized police and the most powerful companies in the world Activists and residents in struggle dozens of whom are interviewed by Lee to inform his work are charting the way forward to affordable and sustainable cities run by the people who inhabit them

Moonbath Yanick Lahens,2017-09-25 The award winning saga of a peasant family living in a small Haitian village told through four generations of voices recounting through stories of tradition and superstition voodoo and the new gods romance and violence the lives of the women who struggled to hold the family together in an ever shifting landscape of political turmoil and economic suffering

Detroit City Is the Place to Be Mark Binelli,2024-08-06 Once America's capitalist dream town Detroit is our country's greatest urban failure having fallen

the longest and the farthest But the city's worst crisis yet and that's saying something has managed to do the unthinkable turn the end of days into a laboratory for the future Urban planners land speculators neopastoral agriculturalists and utopian environmentalists all have been drawn to Detroit's baroquely decaying nothing left to lose frontier With an eye for both the darkly absurd and the radically new Detroit area native Mark Binelli has chronicled this convergence Throughout the city's museum of neglect its swaths of abandoned buildings its miles of urban prairie he tracks both the blight and the signs of its repurposing from the school for pregnant teenagers to a beleaguered UAW local from metal scrappers and gun toting vigilantes to artists reclaiming abandoned auto factories from the organic farming on empty lots to GM's risky wager on the Volt electric car from firefighters forced by budget cuts to sleep in tents to the mayor's realignment plan the most ambitious on record to move residents of half empty neighborhoods into a viable new urban center Sharp and impassioned *Detroit City Is the Place to Be* is alive with the sense of possibility that comes when a city hits rock bottom Beyond the usual portrait of crime poverty and ruin we glimpse a longshot future Detroit that is smaller less segregated greener economically diverse and better functioning what could be the boldest reimagining of a post industrial city in our new century *Detroit City Is the Place to Be* is one of Publishers Weekly's Top 10 Best Books of 2012 *The Iowa Review*, 2015 *Walking the Streets/Walking the Projects* Owen Hatherley, 2024-06-11 A walk through the remnants of a social democratic America and an argument about its future *Walking the Streets/Walking the Projects* is an insightful exploration of the remnants of a social democratic America and a thought provoking argument about its future The book traces the rise of a 1960s urban ideology that celebrated bottom up organic city development while criticising state led planning that resulted in lifeless sterile projects Using walking as a method the author tests these ideas across New York City with a brief interlude in Washington DC examining a wide array of urban developments Key areas explored Cultural complexes in Manhattan New Deal era public housing in Brooklyn Harlem and Queens Roosevelt Island's social experiment Communist housing co operatives in the Bronx Union led rebuilding of the Lower East Side DC's Metro system By walking through these spaces the book reveals that despite their flaws fragments of a more equal society were built in the past and continue to thrive today *Walking the Streets/Walking the Projects* asks what lessons a new generation of American socialists might learn from these surviving social democratic enclaves as they envision a better future *A Twenty Minute Silence Followed by Applause* Shawn Wen, 2017-07-11 Threading the subtle seam between what lives and what remains *A Twenty Minute Silence Followed by Applause* succeeds in conjuring the poetry of Marcel Marceau's performance as both a character on stage and in history Like pulling a ghost from a dark room this is an accomplished work of historical portraiture precise in its objects complex in its melancholy and insightful in its humor Thalia Field Part biographic inquiry part lyric portraiture radio producer Shawn Wen reanimates world renowned mime Marcel Marceau's silent art The book opens in darkness a single figure standing in the spotlight It's Marceau in his signature hat painted face black clothes and ballet slippers Over time the text accumulates
